as well as with deep wisdom Telushkin covers topics such as love and kindness hospitality visiting the sick comforting mourners charity relations between Jews and non Jews compassion for animals tolerance self defense and end of life issues This second volume of the first major code of Jewish ethics written in the English language is breathtaking in its scope and will undoubtedly influence readers for generations to come It offers hundreds of practical examples from the Torah the Talmud the Midrash and both ancient and modern rabbinic commentaries as well as contemporary anecdotes all teaching us how to care for one another each and every day A Code of Jewish Ethics Volume 2 Love Your Neighbor as Yourself is a consummate work of scholarship Like its acclaimed predecessor which received the National Jewish Book Award it is rich with ideas to contemplate and discuss while being primarily a book to live by Nothing could be more important in these strife torn times than learning how to love our neighbors as ourselves The message of this book is as vital and timely now as it has been since time immemorial
