Rebecca and Rowena William Makepeace Thackeray,1850 **Rebecca and Rowena** William Makepeace Thackeray,1884 **Rebecca And Rowena** William Makepeace Thackeray,2023-07-18 In this charming satire Thackeray reimagines the world of Sir Walter Scott's *Ivanhoe* weaving a tale of love and adventure in medieval England featuring characters both familiar and new This work is a loving tribute to Scott's original while also poking fun at the conventions of romance and chivalry This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Rebecca and Rowena : a Romance Upon Romance. Literary Awakenings Ronald Koury,2017-02-02 During the past thirty years the editors of the Hudson Review have observed a trend among some of the best literary essayists and reviewers to situate their criticism in a deeply personal manner as opposed to the theoretical technocratic work being produced in many literary and academic publications Over time the Hudson Review became a home for this kind of accessible memoirist writing *Literary Awakenings* collects eighteen essays published over the last three decades that celebrate the writer's relationship with literature one that is deeply shaped by experience and remembrance The essays gathered here recall disparate awakenings to the influence of literature and discoveries of the many ways in which it enriches nearly every aspect of our lives Antonio Muñoz Molina describes his education as a writer and a citizen as a form of protest against Franco's totalitarian regime in Spain Drawing upon Huckleberry Finn Wendell Berry meditates on the impulse to escape that literature often invokes and Judith Pascoe's tribute to Clarissa confesses to the appeal of reading select literature that initiates one into an exclusive coterie of people What unites these diverse contributions is the joy of appreciation the pleasures of engaging with literature The Bolenius Readers Emma Miller Bolenius,1927 Breeches and Metaphysics S. S. Prawer,2017-12-02 This study traces the successive stages of Thackeray's contact with the German world and analyses the discourse he developed as a result The author is

concerned with the fiction and criticism of Thackeray's Paris Sketch Book and the impressions related by the cockney traveller in Irish Sketch Book and Notes of a Journey from Cornhill to Grand Cairo Thackeray's own pictorial illustrations of his writings and those by Cruikshank Doyle and Walker which he supervised and supplemented are recognized as an integral part of his German discourse The study is a chronological one setting Thackeray's construction of German and the Germans against the background of his own development and of the social industrial cultural and political history of Britain and its continental neighbours
