Careers have become the focal point of men and women alike. People have become self-centered, looking for the advancement of their cause and unfortunately it is at the expense of love and compassion. Why is compassion in our society on the decline? Dr. Donald Davis seeks to find the causes of and solutions to this decline in his study *The Demise of Compassion: A Casualty of a Changing Culture*. In this study, Dr. Davis explores compassion versus culture, the essence of compassion, the challenges facing compassion, and the path that is leading to compassion's demise, the road to recovery. By utilizing over thirty years of pastoral experience with the thoughts of the leading experts on compassion, Dr. Davis provides a tough but fair look at what is happening in our modern society. Join Dr. Davis as he analyzes the trends in compassion today and shares simple, everyday ways that compassion can be restored in *The Demise of Compassion: A Casualty of a Changing Culture*. **The Long Journey to Glory** Reynaud D. Jones, 2020-08-10. *The Long Journey to Glory: My Side of the Jacksons Story* seeks to finally set the record straight as to who discovered Michael Jackson and the Jackson 5. The book describes the truth about the real beginning of the Jackson singing group and Michael and their climb to fame. It will include the story of the Jacksons from the family's very meager beginning in Gary, Indiana, like it has never before been told. We learn more about Joe, the father, and also the neighborhood he chose to live in. There are details surrounding the neighborhood, the little community's Little League baseball teams, the long days of practicing their music in the basement of a neighbor's home, the deceptive maneuvers used by Tito Jackson to develop his guitar playing skills, and finally the events surrounding the talent show at Gary's Roosevelt High School that introduced the Jacksons. The story is told by the original, unknown member and leader of the group. The Jacksons continue to perform to this day. Although refined by experience and technology, the act has not essentially changed from its inception. In the early days, no one except their families knew about their rehearsals. They couldn't practice together at Joe's house, but they did practice at Reynaud's house. Since they were using his basement and he was the oldest, he automatically made himself the leader. They decided they would surprise Joe with their progress. Before then, the Jackson family wasn't charismatic to the neighbors. The neighborhood was booming with children, and the majority of them laughed teasingly at the Jacksons. There were nine Jackson children at the time, living in a two-bedroom basement-less house with their parents. **Weekly Compilation of Presidential Documents**, 2006. *Betty's Beauty* Beverly Wilson, 2018-02-01. *Betty's Beauty* mixes some of the author's real-life experiences with biblical scripture to encourage those who may be having a tough time. It strives to encourage the reader and asks the reader to look at situations in a different perspective. Each of us is valuable, no matter at what stage we find ourselves. *Betty's Beauty* is meant to uplift and empower the reader. By reading about some of the author's trials and how God worked with her to help heal her soul, it is meant to help the reader search out their own heart and go forward stronger with new enthusiasm. *Stepping Up and Stepping Out* Lu Ann Fowler, 2003. This book tells the story of a church layman who, upon the suggestion of his pastor, decided to make a difference with the up and outers in an unconventional manner. **The New Science of Perfect Skin** Daniel Yarosh, Ph.D., 2008-05-06.
