A Register of the Regiments and Corps of the British Army

*The ancestry of the regiments and corps of
the Regular Establishment of the Army*

Edited by Arthur Swinson

with a Foreword by

Lieut.-General Sir Brian Horrocks
KCB, KBE, DSO, MC, LL.D(HON)

Regiments And Corps Of The British Army

Scott C. Dulebohn

Regiments And Corps Of The British Army:

Regiments and Corps of the British Army Ian S. Hallows, 1994-01-01 **A Register of the Regiments and Corps of the British Army** Arthur Swinson, 1972 [A Guide to the Regiments and Corps of the British Army on the Regular Establishment](#) John Maurice Brereton, 1985 *The Handbook of British Regiments (Routledge Revivals)* Christopher Chant, 2013-10-18

Since the creation of the standing army in 1661 when each regiment was known by the name of its current colonel there have been many reforms and rationalizations of the British army. From 31 cavalry regiments and 113 infantry regiments in 1881 at the time of this title's first publication in 1988 the army had reduced to just 16 regiments of armour and 39 regiments of infantry through processes of absorption and amalgamation. The Handbook of British Regiments provides insight into the lineage and history of the approximately 85 regiments and corps which formed the British army towards the end of the 1980s. Comprehensive in coverage each has a separate entry giving factual details in a layout standardized for easy comparison including current title colonel in chief uniform and history amongst others. A key title amongst Routledge reference reissues this handbook provides an accessible guide to specialists as well as lay enthusiasts and illustrates a sense of the continuity and inherited tradition of each regiment and corps.

Regimental Nicknames and Traditions of the British Army Anonymous, 2019-12-19

In *Regimental Nicknames and Traditions of the British Army* Anonymous delves into the unique and fascinating world of British military history. This meticulously researched book explores the origins and significance of various regimental nicknames and traditions, shedding light on the diverse cultural heritage that has shaped the British Army. Written in a scholarly yet accessible style, this book is a treasure trove of information for history enthusiasts and military buffs alike. Anonymous skillfully weaves together historical anecdotes, linguistic analysis, and cultural insights to paint a vivid picture of the British Army's rich tapestry of traditions. While the identity of the author remains a mystery, their expertise in military history and passion for the subject matter shines through in every page. Anonymous's meticulous attention to detail and comprehensive knowledge make *Regimental Nicknames and Traditions of the British Army* a must-read for anyone interested in British military history and the cultural heritage of the armed forces. I wholeheartedly recommend *Regimental Nicknames and Traditions of the British Army* to readers who are eager to explore the colorful and diverse history of the British Army. This book is a valuable resource for scholars, historians, and anyone with a keen interest in the military traditions of the United Kingdom.

Britain's Lost Regiments Trevor Royle, 2014-10-02

The history of the British Army is really the story of its regiments and the men who served in them. From the very beginning they formed the backbone of a singular institution that is itself a reflection of the way the people of Britain view themselves and their collective past. Beginning with the Glorious revolution of 1660 and the return to the throne of King Charles II it was a time when Cromwell's Commonwealth and his military institutions were not popular. But the new king had to be protected and the country had to be defended. Through a process of slow growth and frequent tardiness an army eventually came into being.

and from the outset it was based solidly on a regimental system which needed steady supplies of recruits to keep it in being. Since then men have joined up for many valid reasons such as adventure, patriotism or a sense of duty, but not all motives were commendable. For every young man attracted by the chance to wear a uniform, there would be many more who had fallen foul of the law, been poverty-stricken or fallen into debt, or had committed a sexual indiscretion. Others were simply coerced. With the exception of the two great world wars of the twentieth century, the Army rarely numbered more than 250 000, and in 2020 its numbers will have fallen to 82 000, a poor reward for all past endeavours. Over the years, periods of warfare have always been followed by times of peace when expenditure on the armed forces dropped, soldiers were made redundant, and regiments, mainly infantry, were either disbanded or amalgamated, often with painful consequences. However, there is a case for saying that no regiment is ever entirely lost, and that it will always live on in men's minds as a mystical entity. The British Army certainly makes a great deal of the golden thread which still links the Middlesex Die Hards to the modern Princess of Wales's Royal Regiment, but the harsh reality is that those ties are only as strong as the men who made them. Like it or not, the old and bold soldiers are a dwindling band, and once they have fallen out for the last time, the regiments will be truly lost. For this reason, Trevor Royle now explores the histories of the many regiments that have disappeared, to celebrate their existence as well as the men and officers who served with distinction within them.

A Bibliography of Regimental Histories of the British Army Arthur S. White, 2013-02-04. This is one of the most valuable books in the armoury of the serious student of British Military history. It is a new and revised edition of Arthur White's much sought-after bibliography of regimental, battalion, and other histories of all regiments and Corps that have ever existed in the British Army. This new edition includes an enlarged addendum to that given in the 1988 reprint. It is quite simply indispensable.

A Register Of The Regiments And Corps Of The British Army The Ancestry Of The Regiments And Corps Of The Regular Establishment Arthur Swinson, 1972. En opslagsbog for ethvert regiment og nogle korps i The British Army der har deltaget i 1 og eller 2 verdenskrig.

Her Majesty's Armed Forces М. Шевченко, П. Митчелл, Л. Митчелл, Е. Горобцов, 2022-10-19. 46 Upper Intermediate B2.

A Photographic History of London's Ceremonial Regiments Ben Skipper, 2024-10-30. This richly illustrated volume tells the story of the seven regiments of the Household Division along with the supporting personalities and units of London District. A subject as fascinating as it is multifarious. From the key personalities responsible for the razor-sharp execution of state ceremonial and public duties to the historical figures who helped establish and shape a military dynasty. Travel through the history of the Household Division from its birth in 1660 with the restoration of Charles II to its role in establishing Britain's Special Forces. It is a journey of political intrigue, cementing empire and fighting terrorism. From the founding fathers such as George Monck who laid the foundations for a professional British Army to adventurers like David Stirling and Sir Frederick Boy Browning, the history of the Household Division is one of almost continuous action and innovation. Supported by the honorable Artillery Company and the King's

Troop The Royal Horse Artillery London's Ceremonial Regiments put the pomp in circumstance the distinction in battle and the sobriety in the sombre notes of The Last Post

British Army Cap Badges of the Second World War Peter Doyle, Chris Foster, 2012-07-20 In their companion volume to British Army Cap Badges of the First World War authors Peter Doyle and Chris Foster present an overview of the main cap badges worn by the British Army during the Second World War which continued the rich and varied tradition of British regimental insignia This book describes and illustrates for the first time in high quality full colour the main types of cap badge worn With many amalgamations war raised units and special forces British military insignia from the period have a surprising range that differs substantially from that worn by the soldiers of the previous generation As in the first book this volume contains contemporary illustrations of the soldiers themselves wearing the badges Employing the skills of an established writer and collector and artist it provides a unique reference guide for anyone interested in the British Army of the period

Identifying Cap Badges Graham Bandy, 2022-03-18 This book is an invaluable tool of the trade for anyone trying to identify or interpret photos Peter Hart Military Historian Identifying Cap Badges is the book that has been missing from the bookshelves of family historians military enthusiasts and badge collectors alike It is quite easy to find an erudite book on military cap badges but you could spend hours if not days plodding through hundreds of pictures to find a match for the one you hold Sometimes you may not find it at all These learned badge collector's books have one major flaw they are pictured and discussed in order of precedence that is to say from the earliest formed regiments to the latest with separate sections on medical engineers cavalry infantry etc This can be most confusing to those uninitiated into the dark arts of military badges Thus if you do not know the name or original number of your regiment in this order of precedence you can be flummoxed This combined with all the different crowns laurels animals mythological beasts and castles can prove more than a little daunting even to ex soldiers themselves In this book you will find badges ordered by what is on the badge itself be it a dragon sphinx or castle horse lion or tiger This is badge identification in minutes rather than hours with added information on dating badges and many comparison photographs alongside all the pictures of the badges Added to these pictures are short histories of the regiments and family trees plotting the antecedents of today's units

Historical Record of The Queen's Own Gurkha Logistic Regiment, 1958-2018 J. R. Cawthorne, 2023-01-31 The Gurkha Army Service Corps the predecessor of The Queen's Own Gurkha Logistic Regiment was raised in Singapore in 1958 ten years after the transfer of Gurkha regiments from the Indian Army to the British Army and towards the end of the Malayan Emergency Within four years of being formed it was committed to continuous operations in Brunei and Borneo during Confrontation with Indonesia between 1962-66 It was also redesignated the Gurkha Transport Regiment in 1965 to reflect changes to the Army's logistic structure Between 1966-71 the Regiment was substantially reduced in size along with the rest of The Brigade of Gurkhas as Britain withdrew its forces from East of Suez Concentrated in Hong Kong the Regiment provided transport support to the Garrison for the next 20 years In 1991 a

composite squadron was sent to reinforce British Forces in the Gulf War after which in preparation for the handback of Hong Kong to China the Regiment moved to and became permanently stationed in the UK In recognition of its past services it was granted the royal title The Queen s Own Gurkha Transport Regiment in 1992 The following two decades saw it undertake multiple operational tours to the Balkans Iraq Cyprus and Afghanistan as well as providing humanitarian assistance to the Ebola crisis in Sierra Leone It also expanded both its role to incorporate supply and catering and size which led in 2001 to it being redesignated to its current title The Queen s Own Gurkha Logistic Regiment This history records the events and activities of the Regiment during its first 60 years of service to the Crown While of wider interest to military historians it is principally written for members of the Regiment past present and future

Army Logistician ,2005 **Historical Records of the 7th Or Royal Regiment of Fusiliers** John Percy Groves,1903 *The India List, Civil and Military* ,1877-03 **The Life of a Regiment: From its formation in 1794 to 1816** Charles Greenhill Gardyne,1901 **The Regiments Depart** Gregory Blaxland,1971 *The British Army in Germany* Graham Watson,Richard A. Rinaldi,2005-08 This work is a study of the British Army s permanent presence on the continent of Europe Each section begins with an overview and continues with one or more detailed orders of battle for the period

A register of the regiments and corps fo the British Army Arthur Swinson,1972
