Regionalism In Canada A Multidisciplinary Approach:

Regionalism in Canada Chandra Mohan, 1995 Canada one of the highly developed countries in the world has been historically politically and culturally regarded a regionalised nation Today Canada appears to be in an ambivalent situation on the one hand regional parties such as the Reform Party in the West and the Bloc Quebecois in Quebec testify to the rise of regional tenancies On the other growth of global economy has pulled various Canadian regions in different directions depending on their economic linkages with the rest of the world The papers presented in the book constitute a fair representation of multidisciplinary study by Indian scholars on this sensitive and important subject They bring together relevant current research on the significance of Regionalism in Canada with some reflections on India as well This collection contributes to the understanding of some of the essential issues of Canadian regionalism *Asian Regionalism, Canadian and Indian Perspectives* Charan D. Wadhwa, Yuen Pau Woo, 2005 Canada and India are in many ways natural partners two middle powers sharing a common political and legal tradition derived from the British Commonwealth as well as a commitment to multiculturalism democracy and international institutions India's founding Prime Minister Jawaharlal Nehru had a personal friendship with Canadian Prime Ministers Trudeau and Pearson Despite this promising start bilateral relations never took flight a function of Cold War politics India's relative isolation through much of the post independence period the enormous distance between the two countries and deep disagreements over India's testing of nuclear weapons in 1974 and 1998 By the start of the new millennium India and Canada were ready to embark on a new phase in bilateral relations one defined not only by trade and investment interests but also by a contemporary understanding of their standing in the world and the potential contribution that both countries can make to issues of regional and global significance **India and Canada: Past, Present & Future** Anil Dutta Mishra, Govind Prasad, 2003 This Book Is An Outcome Of The Collective Endeavour Of The Scholars Of Indian Association For Canadian Studies It Contains Articles On Socio Economic And Political Aspects Concerning These Two Countries In The Era Of Liberalization **Interdisciplinary Approaches to Canadian Society** Association for Canadian Studies, 1990 Far more than a bibliographic account of the major works in Canadian Studies *Interdisciplinary Approaches to Canadian Society* provides a broad examination of the state of this growing field of study Each chapter stresses the importance of the interdisciplinary and multidisciplinary approaches which have come to characterize Canadian Studies Also in an unprecedented collaborative effort almost all the chapters are jointly authored by anglophone and francophone scholars The works on Quebec and the francophone community respect the distinct nature of this facet of Canada As stated in the introduction this work is a primer in the field and a guide to further pursuits Its users will welcome it as a friendly introduction to an exciting country Comparative Politics Daniele Caramani, 2008 *Comparative Politics* provides a comprehensive introduction to political systems around the world It covers methods and theories the nation state institutions actors and processes policies and recent changes **Louis Riel and the Creation of**

Modern Canada Jennifer Reid, 2008-11 Since he was tried and hanged for treason in November of 1885 Louis Riel has been the subject of more histories biographies novels and poetry than any other figure in Canadian history Politician founder of Manitoba and leader of the aboriginal Métis people Riel led two resistance movements against the Canadian government the Red River Uprising of 1869-70 and the North West Rebellion of 1885 in defense of Métis and other minority rights Against the backdrop of these legendary uprisings Jennifer Reid examines Riel's religious background the mythic significance that has consciously been ascribed to him and how these elements combined to influence Canada's search for a national identity Reid's study provides a framework for rethinking the geopolitical significance of the modern Canadian state the historic role of Confederation in establishing the country's collective self image and the narrative space through which Riel's voice speaks to these issues

Las relaciones económicas interprovinciales en Canadá Elisa Dávalos, 2005 *Canada in Grainau* Klaus-Dieter Ertler, Hartmut Lutz, 2009 Celebrating the 30th anniversary of the Gesellschaft für Kanada Studien in den deutschsprachigen Ländern GKS Association for Canadian Studies in the German speaking countries this collection offers an overview of the state of the arts in various disciplines in Canadian Studies such as linguistics musicology and media studies as well as literature and history It opens multiple perspectives and paths for the future of our discipline l'occasion du 30e anniversaire de la Gesellschaft für Kanada Studien in den deutschsprachigen Ländern GKS Association d'études canadiennes dans les pays de langue allemande nous offrons un tour d'horizon de l'état de la recherche dans les différentes disciplines en études canadiennes telles que la linguistique la musicologie les études sur les médias et les genres ainsi que sur la littérature et l'histoire Ce volume offre un grand nombre de pistes et de perspectives pour l'avenir de notre discipline

New-Dialect Formation in Canada Stefan Dollinger, 2008-01-15 This book details the development of eleven modal auxiliaries in late 18th and 19th century Canadian English in a framework of new dialect formation The study assesses features of the modal auxiliaries tracing influences to British and American input varieties parallel developments or Canadian innovations The findings are based on the Corpus of Early Ontario English pre Confederation Section the first electronic corpus of early Canadian English The data which are drawn from newspapers diaries and letters include original transcriptions from manuscript sources and texts from semi literate writers While the overall results are generally coherent with new dialect formation theory the Ontarian context suggests a number of adaptations to the current model In addition to its general Late Modern English focus New Dialect Formation in Canada traces changes in epistemic modal functions up to the present day offering answers to the loss of root uses in the central modals By comparing Canadian with British and American data important theoretical insights on the origins of the variety are gained The study offers a sociohistorical perspective on a still understudied variety of North American English by combining language internal features with settlement history in this first monograph length diachronic treatment of Canadian English in real time

India at the Polls Mahendra Prasad Singh, Rekha Saxena, 2003 The Book Takes A Close Look At The Last Three Lok Sabha Elections Those Of 1996 1998 And

1999 It Is A Study Of Why Elections Have Become More Frequent Since 1989 The Reason Given Is The Transformation Of The Party System From One Of Congress Dominance To A Multi Party Configuration Reflecting The Instability Of Minority And Or Coalition Governments And Hung Parliaments **The Theory, Practice and Potential of Regional Development** Kelly Vodden, David J.A. Douglas, Sean Markey, Sarah Minnes, Bill Reimer, 2019-07-04 Canadian regional development today involves multiple actors operating within nested scales from local to national and even international levels Recent approaches to making sense of this complexity have drawn on concepts such as multi level governance relational assets integration innovation and learning regions These new regionalist concepts have become increasingly global in their formation and application yet there has been little critical analysis of Canadian regional development policies and programs or the theories and concepts upon which many contemporary regional development strategies are implicitly based This volume offers the results of five years of cutting edge empirical and theoretical analysis of changes in Canadian regional development and the potential of new approaches for improving the well being of Canadian communities and regions with an emphasis on rural regions It situates the Canadian approach within comparative experiences and debates offering the opportunity for broader lessons to be learnt This book will be of interest to policy makers and practitioners across Canada and in other jurisdictions where lessons from the Canadian experience may be applicable At the same time the volume contributes to and updates regional development theories and concepts that are taught in our universities and colleges and upon which future research and analysis will build *Canadian Studies* Linda Marilyn Jones, Ginette Hébert, International Council for Canadian Studies, 1997 Poetry and Culture in Britain, Canada and the United States Jonathan Locke Hart, 2025-03-18 This book is about poetry and the poetic in the cultures and literatures of Britain Canada and the United States Close reading is the primary method The figures discussed in the book were born from 1911 to the post war years after 1945 The volume proceeds from Marshall McLuhan as a poet through Douglas LePan Ted Hughes Leonard Cohen Margaret Atwood Thomas King and Forrest Gander to Hannah Lowe Russell Leong Marilyn Chin Fred Wah interpoetics poetry and culture in Chinese diasporic poetry Louis Riel Pauline Johnson Naomi McIlwraith Indigenous and M tis poetry Gaspar P rez de Villagr Anne Bradstreet Phillis Wheatley Langston Hughes Joan Kane Russell Leong Marilyn Chin and Forrest Gander the multiple makings of poetry of North America Here is a poetry of the North Atlantic world a transatlantic poetics then and now The book reads poetry and the poetic in terms of media aesthetics drama criticism music interpoetics diaspora culture diversity and African Asian and Indigenous poets Regionalism and the Humanities Timothy R. Mahoney, Wendy J. Katz, 2008-12-01 Although the framework of regionalist studies may seem to be crumbling under the weight of increasing globalization this collection of seventeen essays makes clear that cultivating regionalism lies at the center of the humanist endeavor With interdisciplinary contributions from poets and fiction writers literary historians musicologists and historians of architecture agriculture and women this volume implements some of the most innovative and

intriguing approaches to the history and value of regionalism as a category for investigation in the humanities In the volume's inaugural essay Annie Proulx discusses landscapes in American fiction comments on how she constructs characters and interprets current literary trends Edward Watts offers a theory of region that argues for comparisons of the United States to other former colonies of Great Britain including New Zealand Australia and Canada Whether considering a writer's connection to region or the idea of place in exploring what is meant by regionalism these essays uncover an enduring and evolving concept Although the approaches and disciplines vary all are framed within the fundamental premise of the humanities the search to understand what it means to be human **A Social Geography of Canada** Guy M.
