Understanding Teacher Identity Patrick M. Jenlink, 2021-05-08

Understanding Teacher Identity

The Complexities of Forming an Identity as Professional Teacher introduces the reader to a collection of research based works by authors that represent current research concerning the complexities of teacher identity and the role of teacher preparation programs in shaping the identity of teachers

Important to teacher preparation as a profession is a realization that the psychological philosophical theoretical and pedagogical underpinnings of teacher identity have critical importance in shaping who the teacher is and will continue to become in his/her practice

Teacher identity is an instrumental factor in teachers and the students success

Chapter One opens the book with a focus on the development of teacher identity providing an introduction to the book and an understanding of the growing importance of identity in becoming a teacher

Chapters Two Nine present field based research that examines the complexities of teacher identity in teacher preparation and the importance of teacher identity in the teaching and learning experiences of the classroom

Finally Chapter Ten presents an epilogue focusing on teacher identity and the importance as teacher educators and practitioners of making sense of who we are and how identity plays a critical role in the preparation and practice of teachers
