Frick,2008 Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon s version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon s state funeral at which Bob Dole s eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the

judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick s probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements **BOOK JACKET** Chinese Language and Culture Education Chunyan Zhang,2024-04-02 Against the background of the Australian government s strategic plan to promote Asian languages in schools this book is an innovative autoethnographic inquiry into what actually occurs in the implementation of a Chinese language and culture program in an Australian context Drawing on eight years of socio cultural and educational fieldwork in a primary school Chunyan Zhang examines complex fluid and heterogeneous daily teaching practices and the ways in which ideas of China are assembled presented and performed She asks the following questions What is China Where does Taiwan fit into the China depicted in a multicultural globalised classroom Can Chinese communism or Chairman Mao be avoided in teaching English speaking learners What kind of China is brought in here while what kind of China is being silenced and othered Through the partial connection between method assemblage and Daoist concepts Zhang develops a water like pedagogy in teaching She uses the knowledge flow model to examine the imbalanced knowledge flow within teacher student interactions From finding China as a hybrid assemblage to proposing China as method Zhang s investigation makes an important contribution to the sociology of Chinese language education This book is an essential and rich content resource for primary and secondary teacher education and research teacher candidates and educators in Chinese as a second language education **Discourses of Desire** Linda Kauffman,2019-06-30 In *Discourses of Desire* Linda S Kauffman looks at a neglected genre the love letters written by literary heroines Tracing the development of the genre from Ovid to the twentieth century novel Kauffman explores through provocative and incisive readings the important implications of these amatory discourses for an understanding of fictive representation in general Among the texts Kauffman treats are Ovid s *Heroides* Heloise s letters to Abelard *The Letters of a Portuguese Nun* *Clarissa* *Jane Eyre* *The Turn of the Screw* *Absalom Absalom* and *The Three Marias* New Portuguese Letters Drawing on the work of such theorists as Todorov Genette Barthes Bakhtin Lacan and Derrida Kauffman demonstrates how the codes of love shape intertextual dialogues among these works in which each innovation in the genre is simultaneously a response to and a departure from the one preceding it Throughout she pays particular attention to the unsettling questions that the genre s shared thematic preoccupations and formal characteristics pose for concepts of gender authorship genre and mimesis Drawing on poststructuralism and psychoanalytic criticism to extend the boundaries of feminist theory Kauffman makes a significant contribution to contemporary critical discussions of writing and gender mimesis and narrative discourse and poetics and politics Her book broad in its scope and far reaching in its implications will be valuable reading for anyone interested in feminist criticism literary theory and literary history **The Labor of Reinvention** Lin Zhang,2023-03-07 From start up
