McClintock, 2011-12-30 In *Shame Less Lives Grace Full Congregations* author Karen McClintock invites readers to become shame less so they can assist others in a congregational system to find a life of joy and grace McClintock explores shame as a theological and psychological emotion defining it as a feeling of unworthiness in the sight of God or significant others While guilt says I made a mistake shame says I am a mistake she explains With skilled storytelling and gentle humor McClintock takes readers on a journey in which we learn to recognize the many forms shame takes and explore and heal the shame of our own upbringing particularly the shame laden messages within our own religious teachings and practices She illustrates the ways shame laden leaders interact with congregations and ways congregational shame influences clergy and laity within the system She shows us how to recognize shame in the behavior of other leaders and clergy around us to reduce shame reinforcing theology and to provide alternative messages of hope and healing She also guides us in liberating others from their shame be they friends colleagues or people in a congregation where we worship and serve McClintock advises readers that eradicating shame may take a few weeks months years or a lifetime This book is not written so that we can be free of all shame It is written so we can become shame less by acknowledging old patterns and consciously changing them because shame less leaders create shame less congregations

The Murder of Christ Wilhelm Reich,1953 **The Christian Philosophy of Herman Dooyeweerd** Pierre Marcel,2015-11-13 Until now available only in typewritten manuscript Pierre Marcel s two volume analysis of the philosophy of Herman Dooyeweerd has now been made available to the reading public in a magnificent English translation by Colin Wright The first volume provides a detailed analysis of Dooyeweerd s critique of theoretical thought Dooyeweerd analyzed the very basis of thought itself its presuppositions and then also the consequences of those presuppositions The entire range of historical philosophy is taken into account as are all the schools that manifested themselves up until the time of his writing The second volume provides an analysis of Dooyeweerd s positive philosophy based on explicit presuppositions those of Christianity Dooyeweerd analyzes reality in the light of the framework of laws of thought embedded in the mind and in extant reality The result is an audacious synthesis that provides a foundation for justified reason Marcel constructively criticizes both these areas of Dooyeweerd s achievement in the two volumes now presented They will occupy the top shelf of the works dedicated to the analysis and continuation of the great Dutchman s philosophical magnum opus

The Awe of The Two Natures and Miracles of Christ Jesus Dr Ibim Alfred,2023-01-26 The miracles of Christ Jesus are recorded by all the Four Gospel writers which are treated in accordance with arrangement of each writer in their respective books A careful reading and scrupulous examination in Matthew Mark Luke and John shows that the three categories of the miracles mentioned above are mixed up or rather placed or scattered haphazardly Please note this does not in any way constitute to contextual criticism The main task of this book is to re cast or re set these three types of miracles which are unsystematically or indiscriminately placed in the Four Gospels and to meticulously put them in an organised or methodically order or format Under the guidance of the Holy Spirit this had been achieved in this book and this is one of the strongest and positive advantages and strength which makes this book unique and special This makes it possible to read these amazing wonders with ease and without tears *Wow! God Allows a Lot* Deloris Sampson-Delaney,2020-09-11 This is my story from running and foolishly thinking I was hiding from God and my purpose for several decades to humility and surrender sharing the trip ups I encountered on the way from the disgust from the church s lack of transparency that allows the enemy Satan to operate a successful revolving door with the illusion of realness that the world offers to the wiles of tag team spirits and strongmen grief and disappointment to bitterness and anger to depression and suicide even hatred toward God

Christian Perspectives on Legal Thought Michael W. McConnell,Robert Cochran,Angela C. Carmella,2008-10-01 This book explores for the first time the broad range of ways in which Christian thought intersects with American legal theory Eminent legal scholars including Stephen Carter Thomas Shaffer Elizabeth

Mensch Gerard Bradley and Marci Hamilton describe how various Christian traditions including the Catholic Calvinist Anabaptist and Lutheran traditions understand law and justice society and the state and human nature and human striving The book reveals not only the diversity among Christian legal thinkers but also the richness of the Christian tradition as a source for intellectual and ethical approaches to legal inquiry The contributors bring various perspectives to the subject Some engage the prominent schools of legal thought liberalism legal realism critical legal studies feminism critical race theory and law and economics Others address substantive areas including environmental criminal contract torts and family law as well as professional responsibility Together the essays introduce a new school of legal thought that will make a signal contribution to contemporary discussions of law

The Day Christ Died as Our Passover Jack W. Langford, 2013-06 The subject of which day Christ died began to be hotly debated a few hundred years after His death In the council of AD 325 the leaders of the Roman Imperial Church thought it to be in the best interest of the Church to disassociate their ritual celebration of the death and resurrection of Christ which they now called Easter away from the annual Jewish Passover event They actually wanted to divert attention from the Jewishness of Jesus In doing so these fathers guided Christendom away from the biblical reality as expressed by Paul Christ our Passover was sacrificed for us 1 Corinthians 5:7 This error has been locked into the celebration for over 1600 years not only by the Roman Catholics but also by most of Protestantism This is a fresh study which will have some surprises for most students of the subject due to the controversy surrounding the chronology It will re-align the death of Jesus Christ squarely upon the biblical setting of the Passover theme as presented in the gospels Above all it will demonstrate beyond any shadow of a doubt that the four gospels harmonize perfectly on the subject It also establishes that Christ died precisely on the eve of Passover when the lambs were being sacrificed in the Temple services This Bible study will Enrich our appreciation of the Divine arrangement in redemption Demonstrate the flawless consistency of the biblical record Correct Christendom's traditional day celebrating Christ's death Strengthen the Christian's new freedom in Christ
