Yeats and Indian Thought** Snezana Dabic,2016-11-14 This book presents an in depth study of the influence of Indian philosophical and religious thought on W B Yeats s poetic and dramatic work It traces the development of this influence and inspiration from Yeats s early impressionistic work to the mature and elaborate incorporation of Indian ideas into the structure themes and symbolism of his writing It recognizes the importance of his Indian friendships Indian essays and shows the limits of his Indianness While providing a comprehensive analysis of Yeats s poetry and his bizarre poetic play *The Herne s Egg* from an Eastern perspective the book examines how Indian philosophical concepts guided Yeats in constructing his characters imagery and
