Sammy Davis Jr My Father:

Sammy Davis Jr. Tracey Davis, Nina Bunche Pierce, 2014-04-22 Based on conversations between Sammy Davis Jr and his daughter this intimate portrait of Mr Show Business recounts his adventures through the Rat Pack era and the extraordinary obstacles he overcame to become a huge legend and one of the greatest pop culture icons of the 20th century **Sammy Davis Jr., My Father** Tracey Davis, 1996 Weaving a compelling tapestry of the life and times and ups and downs of legendary superstar Sammy Davis Jr and his family the only daughter of Sammy and Swedish actress May Britt presents a universal portrait of a delicate and often complicated father daughter relationship Photos *How I Met My Mother* Charles Cornacchio, 2014-04-02 *How I Met My Mother* is the true story of how seemingly random and unrelated incidents nudged a son towards an amazing reunion with his biological mother Living his life wondering who his real parents were while unaware that he was working directly across the street from his biological father is just one of the many uncanny coincidences described in this book This is the story of a reunion that happened in the most unconventional way a reunion that answered years of questions and speculations and changed several lives forever Not knowing his history or heritage for almost four decades Charles Cornacchio's past was suddenly revealed For anyone who wonders what could have been if life took a different turn this is a must read For anyone who has been adopted and always fantasized about meeting their biological parents this is a must read For anyone who enjoys a true story peppered with unbelievable circumstances this book is a must read *How I Met My Mother* And the Four Brothers I Never Knew I Had is the story of a reunion thirty eight years in the making If you've ever found yourself wondering what might have been if life had taken a different turn Charles's tale of family and destiny will capture your imagination *My Father's Daughter* Tina Sinatra, 2012-12-11 Frank Sinatra seemed to have it all genius wealth the love of beautiful women glamorous friends from Las Vegas to the White House But in this startling and remarkably outspoken memoir his youngest daughter reveals to us an acutely restless lonely and conflicted man Through his marriages and front page romances and the melancholy gaps between Frank Sinatra searched for a contentment that eluded him For the first time Tina writes candidly about the wedge his manipulative fourth wife Barbara Marx drove between father and daughter *MY FATHER'S DAUGHTER* with its unflinching account of Sinatra's flaws and foibles will shock many of his fans At the same time it is a deeply affectionate portrait written with love and warmth a celebration of a daughter's fond esteem for her father and a respect for his great legacy The world remembers Frank Sinatra as one of the giants of the show business In this book from someone inside the legend Tina Sinatra remembers him as something more a father and a man **Why Am I Still Here?** Jeannette Davila, 2023-08-25 About the Book *Why Am I Still Here* is the gripping memoir of a Puerto Rican immigrant navigating the chaos and turmoil of life both inside and outside of her home As a young child Jeannette Davila lost her father due to his underground criminal activities turning her world upside down and forcing her to face life's hardships far too early Growing into a headstrong teenager Jeannette found herself in the height of New York's

nightlife in the 1970s where everyone around her was experimenting with drugs music and love Looking back on life s ups and downs Jeannette realizes it was only resilience and a stubborn sense of self worth that got her out of the chaos and to where she is today About the Author Jeannette Davila had a career as a passport specialist in the State Fraud Department for over thirty years before retiring She is the mother of one son and one daughter In her free time she enjoys reading dancing photography and going to art museums She resides with her daughter in Bridgeport Connecticut

Becoming America's Playground Larry D. Gragg,2019-08-29 In 1950 Las Vegas saw a million tourists In 1960 it attracted ten million The city entered the fifties as a regional destination where prosperous postwar Americans could enjoy vices largely forbidden elsewhere and it emerged in the sixties as a national hotspot the glitzy resort city that lights up the American West today Becoming America s Playground chronicles the vice and the toil that gave Las Vegas its worldwide reputation in those transformative years Las Vegas s rise was no happy accident After World War II vacationing Americans traveled the country in record numbers making tourism a top industry in such states as California and Florida The Las Vegas Chamber of Commerce saw its chance and developed a plan to capitalize on the town s burgeoning reputation for leisure Las Vegas pinned its hopes for the future on Americans need for escape Transforming a vice city financed largely by the mob into a family vacation spot was not easy Hotel and casino publicists closely monitored media representations of the city and took every opportunity to stage images of good clean fun for the public posing even the atomic bomb tests conducted just miles away as an attraction The racism and sexism common in the rest of the nation in the era prevailed in Las Vegas too The wild success of Frank Sinatra s Rat Pack performances at the Sands Hotel in 1960 demonstrated the city s slow progress toward equality Women couldn t work as dealers in Las Vegas until the 1970s yet they found more opportunities for well paying jobs there than many American women could find elsewhere Gragg shows how a place like the Las Vegas Strip with its glitz and vast wealth and its wildly public consumption of vice rose to prominence in the 1950s a decade of Cold War anxiety and civil rights conflict Becoming America s Playground brings this pivotal decade in Las Vegas into sharp focus for the first time

5 Squares Bonita McIlvaine,2013-12-13 It was Boston in the 1960s a time when nightclubs bars and lounges had the city alive at night and a good time could continue after hours And when entertainers frequented the city to take advantage of its nightlife Add in the world of the sporting life and Boston s deceiving glamour could not be denied In the middle of it all were five best friends known as squares who attended high school by day and received a far different education by night The girls road in Cadillacs drank in bars and explored their sexual awareness They made a pact to just have fun and enjoy the rest Their fun was innocent the culture wasn t Their values are tested Consequences arise and prices

must inevitably be paid They were campaigning to get elected with no shame their game Bonnie McIlvaine [http www 5squares biz](http://www.5squares.biz) This slice of American History is fascinating It s the Black experience of the 60 s we didn t see on Mad Men And its the music and party scene that proceeded Rap Reel Books Bonita Bonnie McIlvaine grew up in Boston the daughter of a nightclub owner and Broadway dancer She worked in both State and City Government prior to becoming a business owner In this her breakout memoir gives a look at Boston s nightlife in the 60s experienced by five best friends coming of age The former business owner is currently working on a self empowerment guide for young adults Frank Sinatra, My Father Nancy Sinatra,1986 Here at last is Nancy Sinatra s own story of her legendary father the only authorized biography of the phenomenal superstar From his boyhood in Hoboken to his first big breaks from the heights and depths of Hollywood to Washington New York Brazil and the world Nancy gives us the story of The Voice through many other voices among them Cary Grant Bing Crosby Mia Farrow Richard Burton Dean Martin Sammy Davis Jr and frequently in specially written personal commentary by Frank Sinatra himself For the first time we come to know the complex generous controversial charismatic man behind the elusive image Much has been written about Francis Albert Sinatra but the truth behind his agonies and triumphs is now revealed with the intimate understanding that only his daughter possesses **Song for My Father** Stephanie Stokes Oliver,2007-11-01 On Election Day in 1960 a classmate of Stephanie Stokes Oliver threatened to beat her up Why Because in their class s mock presidential election Stephanie revealed that she would follow her father s lead and vote for Nixon over Kennedy Stephanie realized this day that her family was different from most other African Americans at the time They were Republicans Song for My Father is Stokes Oliver s memoir of her father Charles M Stokes a prominent member of the National Republican Party Known as Stokey this pioneering black man in the fields of law legislation and politics raised three children in the tumultuous 1960s and 70s when memories of the Republican Party as the party of Abraham Lincoln and association of the party with the emancipation of slaves had faded As Stephanie came of age she and her father disagreed on everything especially politics but they were bound by mutual love and respect Born in Kansas in the early twentieth century Charles M Stokes established himself in his home state as a lawyer and a Republican leader before moving in 1943 to Seattle where he was the only black attorney in private practice He later became Seattle s first black state legislator and served as Washington State s first African American district court judge When he ran for lieutenant governor in 1960 Stokes was narrowly defeated in the primary but his political race blazed a trail for other African Americans in both local and national politics This is Stokes Oliver s tribute to a larger than life father but it is also the inspiring story of an American family who worked struggled dreamed and succeeded **A Funny Thing Happened on My Way to Freedom** Desi Sanchez,2012-11 Author Desi Sanchez a native of Cuba was twenty two years old when the Bay of Pigs incident took place there in 1961 He had made the decision to side against Fidel Castro long before the confrontation and served as a merchant marine in the SS Houston during the invasion In 2010 Desi Sanchez received an honorary crew

1962 David Krell, 2021-05. In the watershed year of 1962, events and people came together to reshape baseball like never before. The season saw five no-hitters, a rare National League playoff between the Giants and the Dodgers, and a thrilling seven-game World Series where the Yankees, led by Mickey Mantle, won their twentieth title, beating the San Francisco Giants, led by Willie Mays, in their first appearance since leaving New York. Baseball was expanding with the Houston Colt .45s and the New York Mets, who tried to fill the National League void in New York but finished with 120 losses and the worst winning percentage since 1900. Despite their record, the 62 Mets revived National League baseball in a city thirsty for an alternative to the Yankees. As the team struggled through a disastrous first year, manager Casey Stengel famously asked, "Can't anybody here play this game?" Earlier that year, in Los Angeles, Dodgers owner Walter O'Malley launched Dodger Stadium, a state-of-the-art ballpark in Chavez Ravine, and a new icon for the city. For the Dodgers, Sandy Koufax pitched his first of four career no-hitters, Maury Wills set a record for stolen bases in a season, and Don Drysdale won twenty-five games. Beyond baseball, 1962 was also a momentous year in American history. Mary Early became the first Black graduate of the University of Georgia. First Lady Jackie Kennedy revealed the secrets of the White House in a television special. John Glenn became the first astronaut to orbit Earth, and JFK stared down Russia during the Cuban Missile Crisis. Weaving the 1962 baseball season within the social fabric of this era, David Krell delivers a fascinating book as epochal as its subject.
