Vanishing Paradise Elizabeth C. Childs, 2013-05-18 *Vanishing paradise* offers a fresh take on the modernist primitivism of the French painter Paul Gauguin the exoticism of the American John LaFarge and the elite tourism of the American writer Henry Adams Childs explores how these artists wrestled with the elusiveness of paradise and portrayed colonial Tahiti in ways both mythic and modern The King of Tonga Hamilton Nelson Eustis, 1997 Pacific Islands Monthly, 1985

Tonga Martin Daly, 2009-02-04 Praise for the first edition *Tonga* is unique among bibliographies in its perception and understanding and in its affection for Tonga and its people Daly's work stands on exceptionally sound foundations His summaries are excellent indeed but Daly writes always with the authority of first hand knowledge with a keen eye for the essential and the ability to interpret and clarify obscurities A trustworthy introduction to Tonga in all its diversity a splendid point de d part for all layman or scholar needing a reliable guide to the essential literature about this remarkable Polynesian kingdom *Bulletin of the School of Oriental and African Studies* The book is so arranged that it is easy to locate any of the items listed I found myself spending pleasant hours perusing Daly's comments on the different publications I hope the rumor of a second revised edition of this bibliography is true *Journal of the Polynesian Society* *Tonga* is a fascinating and subtle combination of a traditional Polynesian kingdom the only one to survive the impact of colonization in the nineteenth century and remain independent and a thoroughly Christian country This comprehensive bibliography is a selective guide to the most significant and accessible English language books papers and articles on every aspect of the kingdom's history culture arts politics environment and economy It is a much updated and expanded edition of the original version that was published in 1999 as part of the *World Bibliographical Series* with the addition of more than 200 new entries Each of the approximately 600 described and annotated items is organized under broad subject headings and indexed by author title and subject In addition and new to this edition all known Ph D theses although not annotated are shown within their appropriate subject categories and indexed Also new is a section on the most important Tonga related websites A general introduction describes the Tongan kingdom its history and society and its current situation *Tonga A New Bibliography* will be an invaluable resource for anyone with a serious interest in Tonga and an indispensable volume for academic libraries reference collections and policy makers focused on the Pacific islands *Fomison* Tony Fomison, 1994 This volume was published on the occasion of the exhibition in 1994 at the Wellington City Gallery There are essays by Ian Wedde Simon During Marianna Torgovnick and Peter Brunt Sulu ape Paulo II provides an article about Samoan tattooing and there is an interview with Fuimaono Tuiasau who was tattooed with Fomison The catalogue reproduces the 104 works from the exhibition several in colour and provides

notes about the exhibits There is a supplementary catalogue listing all known works in alphabetical order Two of Fomison s articles are reprinted and a chronology of Fomison s life and shows is included Architecture in the South Pacific Jennifer Taylor,James Conner,2014-07-31 This book recounts the recent development of the South Pacific and the regions fascinating architecture It traces the European architectural overlay onto this scattered group of Islands and their transition toward a regional identity that has been fashioned by the remote location the incomparable setting and the distinctive ethnic mix of its inhabitants Includes many photos **South Pacific Bibliography** ,1981 Index to Australian Book Reviews ,1981 Includes entries supplied by University of Queensland Library Staff Robert Louis Stevenson's Pacific Impressions Carla Manfredi,2018-11-11 This book tackles photography s role during Robert Louis Stevenson s travels throughout the Pacific Island region and is the first study of his family s previously unpublished photographs Cutting across disciplinary boundaries the book integrates photographs with letters non fiction and poetry and includes much unpublished material The original readings of photographs and non fiction highlight Stevenson s engagement with colonial ideology and reality and advance new arguments about Victorian travel settlement and colonialisms in the Pacific Like the Stevensons the book moves from the Marquesas to the atolls of the Gilbert Islands in Micronesia from the Kingdom of Hawai i s political ambitions to Samoan plantations and the Stevensons settlement at Vailima Central to this study is the notion that Pacific history and Pacific Island cultures matter to the interpretation of Stevenson s work and a rigorous historical and cultural contextualization ensures that local details structure literary and photographic interpretation The book s historical grounding is key to its insightful conclusions regarding travel settlement photography and colonialism **The Pacific Room** Michael Fitzgerald,2017-07-01 Do I look strange These were his last recorded words That night Sosimo kissed his hands and laid them across his breast knitting his fingers together like flowers The next morning the household watched his coffin held aloft by a dozen brown hands disappear into an ocean of leaves Every now and then at a turn of the mountain it would emerge from the trees bobbing higher and higher floating free This remarkable debut novel tells of the last days of Tusitala the teller of tales as Robert Louis Stevenson became known in Samoa where he chose to die In 1892 Girolamo Nerli travels from Sydney by steamer to Apia with the intention of capturing something of Jekyll and Hyde in his portrait of the famous author Nerli s presence sets in train a disturbing sequence of events More than a century later art historian Lewis Wakefield comes to Samoa to research the painting of Tusitala s portrait by the long forgotten Italian artist On hiatus from his bipolar medication Lewis is freed to confront the powerful reality of all the desires and demons that R L Stevenson couldn t control Lewis s personal journey is shadowed by the story of the lovable Teuila a so called fa afafine in the manner of a woman and the spirit of Stevenson s servant boy Sosimo Set in an evocative tropical landscape haunted by the lives and spirits which drift across it The Pacific Room is both a love letter to Samoa and a lush and tender exploration of artistic creation of secret passions and merging dualities *A Check List of Selected Material on Samoa* Janet Aileen Pereira,1983 **A Companion to Modern**
