able to fully grasp quite possibly because there has not been a full scale biography of him until now Deirdre Bair had access to 177 boxes of documents and more than 400 drawings In addition she conducted several hundred personal interviews Steinberg s curious talent for creating myths about himself did not make her job an easy one but the result is a stunning achievement to admire and enjoy The electronic version of this title does not contain the 35 Saul Steinberg illustrations that are available in the print edition Parameters ,1994 **The Leatherneck** ,1994 **Air University Library Index to Military Periodicals** ,1994 **A Guide to the Sources of United States Military History** Robin Higham,Donald J.
