SELECTED WRITINGS  
OF  
**SAMUEL  
JOHNSON**

EDITED AND  
WITH AN INTRODUCTION BY  
KATHARINE ROGERS

# Samuel Johnson Sel Writings

**Samuel Johnson,R. T. Davies**

## **Samuel Johnson Sel Writings:**

*Samuel Johnson: Selected Writings* Samuel Johnson,2009-09-30 In Johnson s own day he was best known as an essayist critic and lexicographer At the center of this collection are the periodical essays from the Rambler Adventurer and Idler Together these works allied in their literary social and moral concerns are the ones that continue to speak urgently to readers today   **The Life and Writings of Samuel Johnson...** Samuel Johnson,1840   *Life and Writings of Samuel Johnson* ... Samuel Johnson,1855   **The Oxford Handbook of Samuel Johnson** Jack Lynch,2022 A Handbook devoted to the work of Samuel Johnson 1709 1784 organized in three sections that study Johnson s career his major and lesser known works and the subjects that were most important to him as a writer thinker and moralist   *Samuel Johnson* Samuel Johnson,R. T. Davies,1965   **Selected Writings of Samuel Johnson** Samuel Johnson,1977   *Samuel Johnson After Deconstruction* Steven Lynn,1992 My other works are wine and water said Samuel Johnson to Samuel Rogers but my Rambler is pure wine Some critics have disagreed labeling the essays uneven and dismissing the bulk of them as hastily concocted hackwork by a writer taking a break from or earning money for a more important project the Dictionary of the English Language Yet Steven Lynn in the first book length study of The Rambler resoundingly contradicts such critics combining deconstruction and other current methods with eighteenth century rhetorical theories Lynn refutes conventional critical wisdom among Johnsonians asserting that the 208 Rambler essays form a coherent whole Lynn argues that a controlling tenet in the series is that we are each and every one ramblers wandering and searching for some stable meaning and satisfaction which will inevitably elude us in this world By confronting this absence Johnson like a deconstructive theologian leads us repeatedly to acknowledge the necessity of faith For Lynn furthermore the unifying thread running through the series is expressed in the prayer Johnson composed as he embarked on the journey of The Rambler Almighty God without whose grace all wisdom is folly grant I beseech Thee that in this my undertaking thy Holy Spirit may not be withheld from me but that I may promote thy glory and the Salvation both of myself and others As Lynn shows though Johnson anticipates deconstruction his controlling evangelistic aim differs profoundly and instructively from it   **The Works of Samuel Johnson: Philological tracts. Political essays. Miscellaneous essays** Samuel Johnson,1820   *Samuel Johnson* Lawrence Lipking,2009-07-01 He was a servant to the public a writer for hire He was a hero an author adding to the glory of his nation But can a writer be both hack and hero The career of Samuel Johnson recounted here by Lawrence Lipking proves that the two can be one And it further proves in its enduring interest for readers that academic fashions today may be a bit hasty in pronouncing the death of the author A book about the life of an author about how an author is made not born Lipking s Samuel Johnson is the story of the man as he lived and lives in his work Tracing Johnson s rocky climb from anonymity to fame in the course of which he came to stand for both the greatness of English literature and the good sense of the common reader the book shows how this life transformed the very nature of authorship Beginning with the defiant letter to

Chesterfield that made Johnson a celebrity Samuel Johnson offers fresh readings of all the writer s major works viewed through the lens of two ongoing preoccupations the urge to do great deeds and the sense that bold expectations are doomed to disappointment Johnson steers between the twin perils of ambition and despondency Mounting a challenge to the emerging industry that glorified and capitalized on Shakespeare he stresses instead the playwright s power to cure the illusions of everyday life All Johnson s works reveal his extraordinary sympathy with ordinary people In his groundbreaking Dictionary in his poems and essays and in The Lives of the English Poets we see Johnson becoming the key figure in the culture of literacy that reaches from his day to our own

**The Life and Writings of Samuel Johnson ...**

Samuel Johnson,1840    *Samuel Johnson's Lives of the Poets* Samuel Johnson,2006-02-16 Samuel Johnson s last literary work the Lives of the Poets offers a detailed survey of English poetry from the early seventeenth century down to Johnson s own time Always recognized as a major contribution to English biography and criticism it is also one of Johnson s most readable and eloquent achievements This is the first scholarly edition since 1905 and includes a full introduction and critical apparatus

This is volume three of four

**The Grammar of Empire in Eighteenth-Century British Writing**

Janet Sorensen,2000-10-19 This study first published in 2000 examines the role of language as an instrument of empire in eighteenth century British literature

**The beauties of Samuel Johnson: maxims and observations. To which are now added, biographical anecdotes of the doctor, his life [&c.]**

Samuel Johnson,1804    **Samuel Johnson's Lives of the Poets** Roger Lonsdale,2006-02-16 Johnson himself wrote in 1782 I know not that I have written any thing more generally commended than the Lives of the Poets Always recognized as a major biographical and critical achievement Samuel Johnson s last literary project is also one of his most readable and entertaining written with characteristic eloquence and conviction and at times with combative trenchancy Johnson s fifty two biographies constitute a detailed survey of English poetry from the early seventeenth century down to his own time with extended discussions of Cowley Milton Waller Dryden Addison Prior Swift Pope and Gray The Lives also include Johnson s memorable biography of the enigmatic Richard Savage 1744 the friend of his own early years in London Roger Lonsdale s Introduction describes the origins composition and textual history of the Lives and assesses Johnson s assumptions and aims as biographer and critic The commentary provides a detailed literary and historical context investigating Johnson s sources relating the Lives to his own earlier writings and conversation and to the critical opinions of his contemporaries as well as illustrating their early reception This is the first scholarly edition since George Birkbeck Hill s three volume Oxford edition 1905 This is volume two of four

**Selected Writings of Samuel Johnson.**
