Samuel Richardson Carol Houlihan Flynn,2014-07-14 Adding a lively voice to Richardsonian studies Carol Houlihan Flynn traces the complex workings of a major literary imagination Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

A Man of Letters V.S. Pritchett,2011-10-28 V S Pritchett is widely and justly regarded not only as one of the finest short story writers of this century but as a critic and essayist of astonishing range perception and originality Combining an unpretentious common sense with a rare genius for the illuminating insight into the familiar and the neglected alike his criticism is all the more valuable in an age in which the study of literature has become increasingly arid and arcane and unlike so many of his academic counterparts V S Pritchett has always had a remarkable ability to epitomise a writer s work and convey his own enthusiasm for it within the compass of a short and eminently accessible essay First published in 1985 *A Man of Letters* brings together a selection of his finest and most representative work from the past forty years ranging from Smollett and Peacock to Evelyn Waugh and Cyril Connolly from Henry James and Nathanael West to Stendhal and Proust from Nabokov and Machado de Assis to Manzoni and Dostoevsky This wise and sparkling collection is in itself a lasting tribute to one of the greatest Men of Letters of our time [English Men of Letters](#) Austin Dobson,2018-08 Excerpt from *English Men of Letters* Samuel Richardson If his apprenticeship began in 1706 and lasted seven years it must have come to an end in 1713 For five or six years more he continued to work as a compositor and corrector of the press and part of the time as an overseer Then in 1719 he took up his freedom and began business as a master printer in an unidentified court in Fleet Street filling his spare time by the preparation for the booksellers of prefaces indexes and what he terms vaguely honest dedications It is probably to this occupation that we owe the elaborate *Collection of the Moral and Instructive Sentiments* etc About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **English Men Of Letters Samuel Richardson By Austin Dobson** Austin Dobson,2019-04-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as

Richardson's 'Clarissa' and the Eighteenth-Century Reader Tom Keymer, Thomas Keymer, 2004-06-24 Whilst drawing to some extent on recent theoretical studies this book restores Clarissa to its largely neglected eighteenth century context **English Men of Letters** John Morley, 1907 *English Men of Letters* Thomas Fowler, William Black, Edmund W. Gosse, 1894 *Fielding; English Men of Letters Series* Austin Dobson, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Scottish Men of Letters in the Eighteenth Century** Henry Grey Graham, 1901 **A Classified List of the Books in the Library of the University Club of Chicago** Chicago (Ill.). University Club, 1913 **English Men of Letters: Thomas Moore** John Morley, 1904

English Men of Letters: James Thomson John Morley, 1908 **The Bookman**, 1901 **English Men Of Letters - Tennyson** Sir Alfred Lyall, 2013-05-31 A beautiful biography of one of Britain s most popular poets Alfred Tennyson was the poet laureate of Great Britain and Ireland for most of the reign of Queen Victoria a complex and brilliant man this is a must read for any fan of English poetry **The Origins of the English Novel, 1600-1740** Michael McKeon, 2021-04-27 This may well be the most important study of the development of prose fiction in England since Ian Watt s classic *Rise of the Novel* on which it builds Library Journal *The Origins of the English Novel 1600 1740* combines historical analysis and readings of extraordinarily diverse texts to reconceive the foundations of the dominant genre of the modern era Now on the fifteenth anniversary of its initial publication *The Origins of the English Novel* stands as essential reading The anniversary edition features a new introduction in which the author reflects on the considerable response and commentary the book has attracted since its publication by describing dialectical method and by applying it to early modern notions of gender Challenging prevailing theories that tie the origins of the novel to the ascendancy of realism and the middle class McKeon argues that this new genre arose in response to the profound instability of literary and social categories Between 1600 and 1740 momentous changes took place in European attitudes toward truth in narrative and toward virtue in the individual and the social order The novel emerged McKeon contends as a cultural instrument designed to engage the epistemological and social crises of the age This book is a formidable attempt to articulate issues of almost imponderable centrality for modern

life and literature McKeon proposes with quite breathtaking ambition and considerable intellectual flourish to redefine the novel's key role in those immense cultural transformations that produce the modern world *Studies in the Novel* A magisterial work of history and analysis *Arts and Letters* A powerful and solid work that will dominate discussion of its subject for a long time to come *The New York Review of Books* *English Men of Letters: Crabbe* John Morley, 1903 **Bulletin of the Indiana State Library** Indiana State Library, 1905 **Some xviii. century men of letters, biogr. essays ed. by Warwick Elwin** Whitwell Elwin, 1902 **English Men of Letters Samuel Richardson by Austin Dobson** Austin Dobson, 1902
English Men of Letters: Pope, by Leslie Stephen, 1900; Johnson by Leslie Stephen, 1900; Gray, by Edmund Gosse, 1899, 1900
