Paradise Plundered Steven P. Erie, Vladimir Kogan, Scott A. MacKenzie, 2011-08-15 The early 21st century has not been kind to California's reputation for good government But the Golden State's governance flaws reflect worrisome national trends with origins in the 1970s and 1980s Growing voter distrust with government a demand for services but not taxes to pay for them a sharp decline in enlightened leadership and effective civic watchdogs and dysfunctional political institutions have all contributed to the current governance malaise Until recently San Diego California America's 8th largest city seemed immune to such systematic governance disorders This sunny beach town entered the 1990s proclaiming to be America's Finest City but in a few short years its reputation went from Futureville to Enron by the Sea In this eye opening and telling narrative Steven P Erie Vladimir Kogan and Scott A MacKenzie mix policy analysis political theory and history to explore and explain the unintended but largely predictable failures of governance in San Diego Using untapped primary sources interviews with key decision makers and public documents and benchmarking San Diego with other leading California cities *Paradise Plundered* examines critical dimensions of San Diego's governance failure a multi billion dollar pension deficit a chronic budget deficit inadequate city services and infrastructure grandiose planning initiatives divorced from dire fiscal realities an insulated downtown redevelopment program plagued by poorly crafted public private partnerships and for the metropolitan region inadequate airport and port facilities a severe underinvestment in firefighting capacity despite destructive wildfires and heightened Mexican border security concerns Far from a sunny story of paradise and prosperity this account takes stock of an important but understudied city its failed civic leadership and poorly performing institutions policymaking and planning Though the extent of these failures may place San Diego in a league of its own other cities are experiencing similar challenges and political changes As such this tale of civic woe offers valuable lessons for urban scholars practitioners and general readers concerned about the future of their own cities Golden Dreams Kevin Starr, 2011-09-09 A narrative tour de force that combines wide ranging scholarship with captivating prose Kevin Starr's acclaimed multi volume *Americans and the California Dream* is an unparalleled work of cultural history In this volume Starr covers the crucial postwar period 1950 to 1963 when the California we know today first burst into prominence Starr brilliantly illuminates the dominant economic social and cultural forces in California in these pivotal years In a powerful blend of telling events colorful personalities and insightful analyses Starr examines such issues as the overnight creation of the postwar California suburb the rise of Los Angeles as Super City the reluctant emergence of San Diego as one of the largest cities in the nation and the

decline of political centrism He explores the Silent Generation and the emergent Boomer youth cult the Beats and the Hollywood Rat Pack the pervasive influence of Zen Buddhism and other Asian traditions in art and design the rise of the University of California and the emergence of California itself as a utopia of higher education the cooling of West Coast jazz freeway and water projects of heroic magnitude outdoor life and the beginnings of the environmental movement More broadly he shows how California not only became the most populous state in the Union but in fact evolved into a mega state en route to becoming the global commonwealth it is today Golden Dreams continues an epic series that has been widely recognized for its signal contribution to the history of American culture in California It is a book that transcends its stated subject to offer a wealth of insight into the growth of the Sun Belt and the West and indeed the dramatic transformation of America itself in these pivotal years following the Second World War **San Diego Magazine** ,2005-05 **Illinois Technograph** ,1959 San Diego Roger M.
