## **San Juan River Chronicles Personal Remembrances Of One Of Americas Bestknown Trout Streams:**

*San Juan River Chronicles* Steven J. Meyers,1997-05 This is a loving portrait of one of America s premier trout streams This Southwestern river known equally for large trout small flies and huge crowds is described by the author who found a more intimate river than the one described in the fly fishing press      [San Juan River Chronicle](#) Steven J. Meyers,2013-09-12 With an abundance of lyricism and insight Steven Meyers writes about the natural history and sporting opportunities found on his home river the San Juan of New Mexico Rising out of southern Colorado s majestic San Juan Mountains and flowing through the arid hardscrabble of the Southwest the San Juan has garnered a devoted following of fly fishers This classic tailwater fishery is renowned around the world for easy access and trophy sized trout But with fame comes a cost and the river is now host to a carnival of crowds poachers and crass trophy seekers Meyers mourns the loss of solitude while celebrating his own ways of seeking solace on a river known only superficially by most who fish its hallowed pools and riffles

**Notes from the San Juans** Steven J. Meyers,2013-09-12 Steve Meyers shares his journey searching for a place to call home eventually finding it within the mountains the joys of fly fishing and bright streams running through the San Juans Mountains Steve writes with extraordinary warmth and depth about a way of life that has become increasingly rare and a region that has managed to maintain its startling beauty and idiosyncrasies Centered on the San Juan Mountains of southwest Colorado a range of jagged peaks inhabited by the sometimes equally jagged people of small mountain towns Steve writes movingly about a father who vanished and about personal loss and about triumph While Steve s stories showcase wild trout and the colorful people of a relatively remote region in which the act of fly fishing seems as natural as eating and sleeping this book is very much a story of human values courage and hard won joy      [San Juan River](#) Richard R. Twarog,2006 8 5 x 11 inches      [Trout Water](#) Josh Greenberg,2021-03-30 Josh Greenberg is my kind of nature writer The Wall Street Journal It s the beginning of trout fishing season and Josh Greenberg proprietor of one of the nation s most famous fishing outfitters on America s most iconic trout fishing stream the Au Sable River in Michigan is standing in the Au Sable at dusk when he gets the call that a dear fishing buddy has died The solace he takes from fishing from reading the movement of the river water studying the play of the light and relying on his knowledge of insect and fish life prompts him to reflect on the impact of the natural world on his life in his fisherman s journal Over the course of a year the journal transcends fishing notes to include some beautifully lyrical nature writing entertaining stories of the big one that got away cheerful introspection about a love that s hard to explain and yes a tip or two Eventually Josh Greenberg realizes he hasn t been all alone in the woods not really Much of his relationship with his family and friends has played out on the river And as he catches and releases trout after trout back into one of the most beautiful rivers in America Greenberg comes to help us realize too that there s more to fishing than catching fish
