## **San Antonio Legacy Folklore And Legends Of A Diverse People:**

*San Antonio Legacy* Donald E. Everett, 1979      **The Culture of Tourism, the Tourism of Culture** William P. Clements Center for Southwest Studies, 2003 The Southwest has long been an American dreamscape and inherently this has had its affect on the land and its people Among other topics discussed in the package of essays is how the area is transformed by tourism and how native people gain autonomy by presenting their experiences and cultures to tourists      Maverick Lewis F. Fisher, 2017-09-30 By definition a maverick is a lone dissenter who takes an independent stand apart from his or her associates or a person pursuing rebellious even potentially disruptive policies or ideas The word maverick has evolved in the English language from being the term for an unbranded stray calf to a label given to a nontraditional person to a more extreme uncontrollable individualist iconoclast unstable nonconformist The word has grown into an adjective he made a maverick decision and become a verb mavericking or mavericked Of all the words that originated in the Old West and survive to the present day author Lewis Fisher notes maverick has been called the least understood and most corrupted But where did the word come from The word s definition is still such a mystery that Merriam Webster lists it in the top 10 percent of its most looked up words All of the origin stories agree it had something to do with Samuel A Maverick and his cattle but from there things go amok rather quickly Was Sam Maverick a cattle thief A legendary nonconformist who broke the code of the West by refusing to brand his calves A Texas rancher who believed branding cattle was cruelty to animals A runaway from South Carolina who branded all the wild cattle he could find and ended up with more cattle than anyone else in Texas Samuel A Maverick was a notable landholder and public figure in his own time but his latter day fame is based on the legend that he was a cattle rancher No amount of truth telling about maverick seems to have slowed the tall tales surrounding the word s origination Maverick The American Name That Became a Legend is a whodunit a historical telling of the man who unwittingly inspired the term the family it s derived from the cowboys who embraced it as an adjective meaning rakish and independent the curious inquirers intrigued by its narrative and the appropriators who have borrowed it for political fame Texas historian and secondhand Maverick by marriage Lewis Fisher has combed through Maverick family papers along with cultural memorabilia and university collections to get at the heart of the truth behind the far flung Maverick legends Maverick follows the history of the word through the Maverick gene all the way to Hollywood and uncovers the mysteries that shadow one of our country s iconic words Taken as a whole the book is a fascinating portrayal of how we form use and change our language in the course of everyday life and of the Maverick family s ongoing relationship to its own contributions all seen through the lens of a story featuring cowboys Texas Longhorns rustlers promoters movie stars athletes novelists lawyers mayors congressmen and senators to say nothing of named maverick brands ranging from Ford cars and air to ground missiles to computer operating systems Vermont maple syrup and Australian wines Ironically given its literal meaning as unbranded maverick is a brand name that helped shape the history of the American West and represents the

ideal of being true to oneself      **American Regional Folklore** Terry Ann Mood,2004-09-24 A guide to American regional folklore with advice on conducting research regional essays and an annotated bibliography It covers library research including how to locate a library suitable for folklore research how to understand a library s resources and how to construct a research strategy      **The West** Geoffrey C. Ward,2008-12-21 This vivid narrative history magnificently illustrated with more than 400 photographs many of them never before published takes us on a gripping journey through the turbulent history of the region that has come to symbolize America around the world Drawing on hundreds of letters diaries memoirs and journals as well as the latest scholarship The West presents a cast as rich and diverse as the western landscape itself explorers and soldiers and Indian warriors settlers and railroad builders and gaudy showmen The book is filled with stories of heroism and hope enterprise and adventure as well as tragedy and disappointment It explores the tensions between whites and the native peoples they sought to displace but it also encompasses the Hispanic experience in the West Gracefully written handsomely designed meticulously researched The West is an unrivaled work of history that brilliantly captures all the drama and excitement the sober realities and bright myths of the American West Book jacket      *Universal Pronouncing Dictionary of Biography and Mythology* Joseph Thomas,1885      **Statewide Audiovisual Service ... Catalog** Florida. Statewide Audiovisual Service,1995      **Universal Pronouncing Dictionary of Biography and Mythology** Joseph Thomas,1930      *Universal Pronouncing Dictionary of Biography and Mythology: Her to Z* Joseph Thomas,1901      **Texas Library Journal** ,1986      *Revisiting America* Susan Wyle,2004 This book is a composition reader designed for first year college students Roughly organized chronologically this text offers readings on myriad racial and cultural struggles in past and present America Pref      *Archaeology* ,1987      **Library Journal** ,1979      *Art in America* Frank Jewett Mather,Frederic Fairchild Sherman,1993-07      *Arts & Humanities Citation Index* ,1995      **The New York Times Index** ,2006      *San Antonio Uncovered* Mark L. Rybczyk,2000 Mark examines some of San Antonio s legends and ghost stories takes a nostalgic look at landmarks that have disappeared introduces some of the city s characters and unusual features debunks a few local myths and corrects some misconceptions This is a unique book about a special city If you ve never been to San Antonio this book will make you want to go if you ve been to the city many times this book will make you want to go back again      **San Antonio, City for a King** Rudy Felix Casanova,2013-10 San Antonio City for a King takes us on an extraordinary adventure through an amazingly unknown yet expectantly fitting piece of Texas origins We learn how 16 families from Iberia s Canary Islands answered their monarch s call to populate a desolate northeast area of his New Spain for a strategic political reason There was the year long journey crossing the Atlantic and then trekking north over present day Mexico to Bejar We see how these people initiated the township of San Fernando guided its growth for generations and helped form many Texas traditions And we follow their descendants through the town s evolution through two rebellions three changes of patriotism and one name change to San Antonio      **The Legend of the Margil Vine** Mark Tezel,1998

*When Darkness Falls* Docia S. Williams, 1997 Included bibliographical notes and index

Right here, we have countless book **San Antonio Legacy Folklore And Legends Of A Diverse People** and collections to check out.
