Law in Modern Society Denis Galligan, 2006-09-14 Providing an introduction to law in modern society D J Galligan considers how legal theory and particularly H L A Hart s The Concept of Law has developed the idea of law as a highly developed social system which has a distinctive character and structure and which shapes and influences people s behaviour The concept of law as a distinct social phenomenon is examined through reference to and analysis of the work of prominent legal and social theorists in particular M Weber E Durkheim and N Luhmann Galligan s approach is guided by two main ideas that the law is a social formation with its own character and features and that at the same time it interacts with and is affected by other aspects of society In analysing these two ideas Galligan develops a general framework for law and society within which he considers various aspects including the nature of social rules and the concept of law as a system of rules whether law has particular social functions and how legal orders run in parallel the place of coercion the characteristic form of modern law and the social conditions that support its implementation and compliance and what happens when laws are used to change society Law in Modern Society encourages legal scholars to consider the law as an expression of social relations examining the connections and tensions between the positive law of modern society and the spontaneous relations they often try to direct or change *Legitimate Targets?*

Janina Dill, 2015 Can international law regulate warfare Experiences of US bombing suggests it does not solve the twenty first century belligerent s legitimacy dilemma

Occupational Injury Anne Marie Feyer, A Williamson, 1998-01-20 Occupational injury is a major and often preventable health problem in the work environment Each year throughout the world millions are affected by traumatic occupational injuries and many thousands are actually killed in work related incidents This book provides a diverse and multi faceted look at some of the themes directing late 1990s research A

Generation of Excellence Robert Craig Brown, 2007-01-01 The Canadian Institute for Advanced Research originated at the University of Toronto in the early 1980s Since that time it has gone from a small independent centre to an important and

revered institution with a significant role in the study of sciences social sciences and humanities in Canada A Generation of Excellence is a detailed history of the CIAR from its humble beginnings to its ascension as one of the most important research organizations in the country Beginning in the summer of 1982 with the CIAR merely a conception in the minds of senior scholars at the University of Toronto Craig Brown takes us through the process of realization detailing the early years of the Institute under the presidency of Dr Fraser Mustard From early struggles to eventual triumphs Brown examines the CIAR s pursuit of an ethos to explore fundamental issues in the social sciences and humanities by funding teams of researchers showing how success was painstakingly achieved The rise of the CIAR is deftly illustrated by pairing its earliest projects with the twentieth anniversary Congress held in 2002 in honour of the Institute and two decades of research A Generation of Excellence tells the story of one of the country s most remarkable institutions

Law, Crime and English Society, 1660-1830 Norma Landau, 2002-10-17 This book examines how the law was made defined administered and used in eighteenth century England A team of leading international historians explore the ways in which legal concerns and procedures came to permeate society and reflect on eighteenth century concepts of corruption oppression and institutional efficiency These themes are pursued throughout in a broad range of contributions which include studies of magistrates and courts the forcible enlistment of soldiers and sailors the eighteenth century bloody code the making of law basic to nineteenth century social reform the populace s extension of law s arena to newspapers theologians use of assumptions basic to English law Lord Chief Justice Mansfield s concept of the liberty intrinsic to England and Blackstone s concept of the framework of English law The result is an invaluable account of the legal bases of eighteenth century society which is essential reading for historians at all levels

Penal Practice and Culture, 1500-1900 Paul Griffiths, Simon Devereaux, 2003-11-12 The English were punished in many different ways in the five centuries after 1500 This collection stretches from whipping to the gallows and from the first houses of correction to penitentiaries Punishment provides a striking way to examine the development of culture and society through time These studies of penal practice explore violence cruelty and shame while offering challenging new perspectives on the timing of the decline of public punishment the rise of imprisonment and reforms of the capital code

Permit But Discourage William A. Bogart, 2011 This text analyzes the effectiveness of law in controlling excessive consumption It engages theoretical discussions concerning the effectiveness of legal intervention especially regarding normativity the relationship between law and norms

The Death of Old Man Rice Martin L Friedland, 1996-08 The Story of One of the Most Remarkable Trials in All History Sensational trials the Menendez brothers the Rodney King case the Preppie Murder are not unique to the age of television The year 1900 saw one of the most dramatic criminal trials in American history described by one newspaper at the time as America s most remarkable murder case When William Marsh Rice the founder of Rice University was found dead in the New York City quarters he shared with his only servant suspicion immediately fell on Albert Patrick a young lawyer Rice whose fortune was pledged to Rice Institute

later Rice University had it seemed been killed by chloroform poisoning and his will forged to give Patrick his vast estate Patrick was immediately arrested and in a spectacular trial tried for first degree murder a crime then punishable by execution In this combination murder mystery and murder history Martin Friedland recounts the events leading up to the trial and the case as it played itself out in court Skillfully guiding the reader through the trial and its outcome Friedland sheds new light on the events casting doubt on what at first glance seems an ironclad case Provocatively illustrated with over 60 photographs that capture the circumstances of the trial and the mood of New York City at the turn of the century The Death of Old Man Rice is not only a gripping tale of murder and intrigue but a timely window onto many aspects of criminal justice in America Touching on issues of great contemporary relevance such as the influence of the popular press the purchase of expert witnesses the problems of multiple appeals the inadequacy of penal institutions and the advantages of wealth Friedland combines scholarship with suspense in his trademark who done it style A murder mystery a historical study and a fascinating window into the world of forensic science The Death of Old Man Rice is that rare book that can engage any reader
