Mercedes de Acosta theatre historian Robert A Schanke adroitly mines lost archival materials and mixes in his own interviews with de Acosta's intimates to correct established myths and at last construct an accurate detailed and vibrant portrait of the flamboyantly uninhibited early twentieth century author poet and playwright Born to wealthy Spanish immigrants Mercedes de Acosta 1893 1968 lived in opulence and traveled in the same social circles as the Astors and Vanderbilts Introduced to the New York theater scene at an early age her dual loves of performance and of women informed every aspect of her life thereafter Alice B Toklas's observation Say what you will about Mercedes she's had the most important women in the twentieth century was well justified as her romantic conquests included such internationally renowned beauties as Greta Garbo Marlene Dietrich Isadora Duncan and Eva Le Gallienne as well as Alla Nazimova Tamara Karsavina Pola Negri and Ona Munson More than a record of her personal life and infamous romances this account offers the first analysis of the complete oeuvre of de Acosta's literary works including three volumes of poetry two novels two film scripts and a dozen plays Although only two of her plays were ever published during her lifetime four of them were produced featuring such stage luminaries as John Gielgud Ralph Richardson and Eva Le Gallienne Critics praised her first volume of poetry Moods in 1919 and predicted her rise to literary fame but the love of other women that fueled her writing also limited her opportunities to fulfill this destiny Failing to achieve any lasting fame she died in relative poverty at the age of seventy five De Acosta lived her desires publicly with verve and vigor at a time when few others would dare and for that she paid the price of marginalized obscurity Until now With That Furious Lesbian Schanke at last establishes Mercedes de Acosta's rightful place as a pioneer and indeed a champion in the early struggle for lesbian rights in this country Robert A Schanke has edited a companion to this biography Women in Turmoil Six Plays by Mercedes de Acosta also available from Southern Illinois University Press

**Exploring Doubt** Alex Wright, 2020-04-28 Christianity has often seemed impatient with the idea of doubt. Certainty, not irresolution, has been seen as the test of faith and key to unlocking participation in the supposed life to come. But when his marriage collapsed, Alex Wright knew that all his own certainties had been reduced to rubble. The future he had planned on the Norfolk coast disappeared as fast as a sea fret burning up in the noonday sun. In this moving book, written out of his own disturbing experience of deep-rooted uncertainty about the future, the author suggests that it is actually doubt, not conviction, that expresses the most important insights about religion and the spiritual life and indeed about life itself.

**The Poet Prince** Kathleen McGowan, 2010-05-25. The Son of Man shall choose. When the time returns for the Poet Prince, He will inspire the hearts and minds of the people. So as to illuminate the path of service. And show them the Way. This is his legacy. This and to know a very great love. Worldwide controversy surrounds author Maureen Paschal as she promotes her new bestseller, the explosive account of her discovery of a gospel written in Jesus' own hand. But a scandalous headline about her lover, B. Renger Sinclair, shatters Maureen's plans and sends her to Florence. In Tuscany, Maureen and B. Renger seek out their spiritual teacher, Destino, who insists the besieged couple study one of history's great Poet Princes, Lorenzo de' Medici, the godfather of the Italian Renaissance. B. Renger is a Poet Prince of the ancient bloodline, prophecy, and even across the centuries, his fate is intertwined with Lorenzo de' Medici's. B. Renger must uncover the heretical secrets of the Medici family and the shocking truth behind the birth of the Renaissance if he is to fulfill his own destiny. These heretical secrets were hidden for a reason, and there are those who would stop at nothing to prevent B. Renger's assumption of his rightful role. The Renaissance comes vividly to life as Maureen decodes the clues contained within the great masterpieces of Lorenzo the Magnificent's friends, Donatello, Botticelli, and Michelangelo. Maureen uncovers truths connected to the legend of Longinus, Gaius, the Roman centurion who used his spear to pierce the crucified Jesus. Could Longinus, Gaius, doomed to live forever, be someone she knows? Could his infamous Spear of Destiny, sought even by Hitler, be the key to B. Renger's fate? As Maureen and B. Renger race to find the answers, someone is after them, hell-bent on settling a five-hundred-year-old blood feud and destroying the heresy once and for all. Rich in Kathleen McGowan's signature insights into art, architecture, and history, and set in the beauty of Renaissance and present-day Italy, this is a spiritual detective story of the highest order.

**Botticelli** Emile Gebhart, Victoria Charles, 2015-09-15. He was the son of a citizen in comfortable circumstances and had been, in Vasari's words, instructed in all such things as children are usually taught before they choose a calling. However, he refused to give his attention to reading.

writing and accounts continues Vasari so that his father despairing of his ever becoming a scholar apprenticed him to the goldsmith Botticello whence came the name by which the world remembers him However Sandro a stubborn featured youth with large quietly searching eyes and a shock of yellow hair he has left a portrait of himself on the right hand side of his picture of the Adoration of the Magi would also become a painter and to that end was placed with the Carmelite monk Fra Filippo Lippi But he was a realist as the artists of his day had become satisfied with the joy and skill of painting and with the study of the beauty and character of the human subject instead of religious themes Botticelli made rapid progress loved his master and later on extended his love to his master s son Filippino Lippi and taught him to paint but the master s realism scarcely touched Lippi for Botticelli was a dreamer and a poet Botticelli is a painter not of facts but of ideas and his pictures are not so much a representation of certain objects as a pattern of forms Nor is his colouring rich and lifelike it is subordinated to form and often rather a tinting than actual colour In fact he was interested in the abstract possibilities of his art rather than in the concrete For example his compositions as has just been said are a pattern of forms his figures do not actually occupy well defined places in a well defined area of space they do not attract us by their suggestion of bulk but as shapes of form suggesting rather a flat pattern of decoration Accordingly the lines which enclose the figures are chosen with the primary intention of being decorative It has been said that Botticelli though one of the worst anatomists was one of the greatest draughtsmen of the Renaissance As an example of false anatomy we may notice the impossible way in which the Madonna s head is attached to the neck and other instances of faulty articulation and incorrect form of limbs may be found in Botticelli s pictures Yet he is recognised as one of the greatest draughtsmen he gave to line not only intrinsic beauty but also significance In mathematical language he resolved the movement of the figure into its factors its simplest forms of expression and then combined these various forms into a pattern which by its rhythmical and harmonious lines produces an effect upon our imagination corresponding to the sentiments of grave and tender poetry that filled the artist himself This power of making every line count in both significance and beauty distinguishes the great master draughtsmen from the vast majority of artists who used line mainly as a necessary means of representing concrete objects *Art and Archaeology*, 1917
