Paul Groner

Lotus Sutra Its History Practice Tod:

Probing the Sutras Guy Gibbon, 2022-02-25 A compact summary like Probing the Sutras has been sorely needed for some time as more and more Westerners have dipped into meditation without any understanding of its predominantly Buddhist scriptural underpinning This concise well informed introduction to the history and contents of eleven seminal Buddhist sutras also provides suggestions for reflection meditation and practical applications related to the key teachings of each scripture Readers of Probing the Sutras will be able to develop a framework for understanding Buddhist doctrines and see the unique pearls of wisdom contained within each sutra **The Lotus Sutra** ,1977 *Lovable Losers* Mikael S. Adolphson, Anne Commons, 2015-09-30 *Lovable Losers* is the first substantial piece of English language scholarship to examine the actions and the memorization of the Heike Ise Taira a family of aristocratic warriors whose resounding defeat at the hands of the Seiwa Genji in 1185 resulted in their iconic status as tragic losers The Tale of the Heike and the many other works derived from it set in place the depiction of the Heike as failed upstart aristocrats whose spectacular downfall was due to neglect of their warrior heritage and the villainy of the family head Taira no Kiyomori *Lovable Losers* aims to contextualize and deconstruct representations of the Heike not only to show how such representations were created in specific contexts in response to specific needs but also to demonstrate that the representations themselves came to create and sustain a particular kind of culture Drawing on the expertise of scholars in a variety of disciplines this volume explores the Heike in their own time and their depiction as cultural figures in the centuries that followed Their portrayal in literature and the arts spans more than eight hundred years and a wide range of genres and media including n plays picture scrolls early modern comic books novels and film In texts from the sixteenth to twentieth centuries the Heike serve as catalysts for miracles and vectors for subtle criticisms of the Tokugawa government Over time Kiyomori became an emblem of postwar democracy and economic progress today he is a powerful symbol of modern citizens dissatisfaction with politics The Heike s ambiguous moral standing allowed them to be reimagined reconstructed and repurposed by different authors in different contexts as both heroes and villains Rather than assuming their failure *Lovable Losers* repositions the Heike within the larger phenomenon of the Genpei War and its aftermath demonstrating how they took advantage of their station as nobles and warriors The new research it presents seeks to transcend categorization and blur the lines between different approaches to the Heike to give a well rounded depiction of a family who has played a defining role in Japanese culture in action in memory and somewhere in between **World History Encyclopedia [21 volumes]** Alfred J. Andrea Ph.D., 2011-03-23 An unprecedented undertaking by academics reflecting an extraordinary vision of world history this landmark multivolume encyclopedia focuses on specific themes of human development across cultures era by era providing the most in depth expansive presentation available of the development of humanity from a global perspective Well known and widely respected historians worked together to create and guide the project in order to offer the most up to date visions available A

monumental undertaking A stunning academic achievement ABC CLIO's World History Encyclopedia is the first comprehensive work to take a large scale thematic look at the human species worldwide Comprised of 21 volumes covering 9 eras an introductory volume and an index it charts the extraordinary journey of humankind revealing crucial connections among civilizations in different regions through the ages Within each era the encyclopedia highlights pivotal interactions and exchanges among cultures within eight broad thematic categories population and environment society and culture migration and travel politics and statecraft economics and trade conflict and cooperation thought and religion science and technology Aligned to national history standards and packed with images primary resources current citations and extensive teaching and learning support the World History Encyclopedia gives students educators researchers and interested general readers a means of navigating the broad sweep of history unlike any ever published

Nanzan Guide to Japanese Religions Paul L. Swanson, Clark Chilson, 2005-10-31 For updates online visit the Nanzan Guide site at Nanzan Library of Asian Religion and Culture The Nanzan Guide to Japanese Religions combines for the first time in any language state of the field theoretical and critical discussions with concrete resources students and scholars need to conduct research on Japanese religions Even seasoned scholars typically approach their research in an unsystematic manner becoming familiar with a particular area of inquiry while remaining largely unaware of what exists in the rest of the field This inefficient method hinders particularly less experienced researchers and circumscribes their lines of inquiry The Nanzan Guide provides both beginners and specialists with a reference that will serve as a basic introduction to Japanese religions and allow them to conduct research more proficiently and in greater depth Overlapping and thought provoking chapters written by leading specialists offer a variety of perspectives on the complicated and multifaceted field of Japanese religions The essays are divided into four sections religious traditions Japanese religions in general Shinto Buddhism folk religion new religions Christianity the history of Japanese religions ancient classical medieval early modern modern contemporary major themes symbolism ritual and the arts literature and scripture state and religion geography and environment intellectual history gender and practical essays finding references and using libraries working with archive collections conducting fieldwork A chronology of religion in Japanese history is also provided

Precepts, Ordinations, and Practice in Medieval Japanese Tendai Paul Groner, 2022-07-31 Modern Japanese Buddhist monks of all denominations differ from those in other Asian countries because they frequently marry drink alcohol and eat meat This has caused Buddhist scholars and practitioners generally to assume that early Japanese monastics had little interest in precepts and ordinations Some medieval Japanese exegetes however were obsessively concerned with these topics as they strove to understand what it meant to be a Buddhist This landmark collection of essays by Paul Groner one of the leading authorities on Tendai Buddhism examines the medieval Tendai School which dominated Japanese Buddhism at that time to uncover the differences in understanding and interpreting monastic precepts and ordinations Rather than provide an unbroken narrative account made virtually impossible due to the number of undated

apocryphal texts and those lost in the numerous fires and warfare that beset Tendai temples as well as the difficulties of tracing how texts were used Groner employs a multifaceted approach focusing on individual monks texts ceremonies exegetical problems and institutional issues Early chapters look at a major source of Tendai precepts the apocryphal Brahma's Net Sutra the Tendai scholar Annen's 841 interpretations of the universal bodhisattva precept ordination and the historical background of his commentary on the subject Tendai perfect sudden precepts and the Vinaya and the role of confession in the bodhisattva ordination Groner goes on to discuss the Lotus Sutra another key text for Tendai precepts and the monk Ken 1262-1317 and his role in developing the consecrated ordination which is still performed today Later essays introduce Jitsudō Ninkō's 1307-1388 system of training by doctrinal debate and his commentary on ordinations doctrinal discussions of killing and Tendai discussions among several lineages on whether the precepts can be lost or violated Many of the issues discussed in the volume particularly how to distinguish various types of Buddhist practitioners and how to conduct ordinations continue to preoccupy Tendai monks centuries later The book concludes with an examination of the effects of early Tendai precepts on modern practice

Encyclopedia of Monasticism William M. Johnston, 2013-12-04 The two volume *Encyclopedia of Monasticism* describes the monastic traditions of both Christianity and Buddhism with more than 600 entries on important monastic figures of all periods and places surveys of countries and localities and topical essays covering a wide range of issues e.g. art behavior economics liturgy politics theology and scholarship Coverage encompasses not only geography and history worldwide but also the contemporary dilemmas of monastic life Recent upheavals in certain countries are highlighted Korea Russia Sri Lanka etc Topical essays subtitled Christian Perspectives and Buddhist Perspectives explore in imaginative fashion comparisons and contrasts between Christian and Buddhist monasticism *Encyclopedia of Monasticism* also includes more than 500 color and black and white illustrations covering all aspects of monastic life art and architecture

A History of Japanese Buddhism Kenji Matsuo, 2007-12-13 This first major study in English on Japanese Buddhism by one of Japan's most distinguished scholars in the field of Religious Studies is to be widely welcomed The main focus of the work is on the tradition of the monk ōbōsan as the main agent of Buddhism together with the historical processes by which monks have developed Japanese Buddhism as it appears in the present day

The Everything Buddhism Book Arnie Kozak, 2010-12-18 My religion is very simple My religion is kindness Dalai Lama That's easy for the Dalai Lama to say but for the rest of us understanding this mysterious multilayered faith can be very difficult With this updated and revised edition of the classic Buddhist primer you can delve into the profound principles of nonviolence mindfulness and self awareness From Tibetan Buddhism to Zen you'll explore the traditions of all branches of Buddhism including The life of Buddha and his continuing influence throughout the world A revealing survey of the definitive Buddhist texts What the Sutras say about education marriage sex and death Faith fueled social protest movements in Tibet Burma and elsewhere Buddhist art poetry architecture calligraphy and landscaping The proven physiological effects of meditation and other Buddhist practices The

growing impact of Buddhism on modern American culture In this guide you ll discover the deceptively simple truths of this enigmatic religion Most important you learn how to apply the tenets of Buddhism to your daily life and achieve clarity and inner peace in the process Doctrine and Practice in Medieval Korean Buddhism ,2016-11-30 ich n 1055 1101 is recognized as a Buddhist master of great stature in the East Asian tradition Born a prince in the medieval Korean state of Kory 960 1279 he traveled to Song China 960 1279 to study Buddhism and later compiled and published the first collection of East Asian exegetical texts According to the received scholarly tradition after returning to Korea ich n left the Hwa m Huayan school to found a new Ch nt ae Tiantai school when he realized that the synthesis between doctrinal learning and meditative practice in the latter would help bring together the discordant sects of Kory Buddhism In the late twentieth century however scholars began to question the assertion that ich n forsook one school for another arguing that his writings assembled in The Collected Works of State Preceptor Taegak Taegak kuksa munjip do not portray a committed sectarian but a monk dedicated to developing a sophisticated and rigorous system of monastic education that encompassed all Buddhist intellectual traditions In this first comprehensive study of ich n s life and work in English Richard McBride presents translations of select lectures letters essays and poetry from The Collected Works to provide a more balanced view of ich n s philosophy of life and understanding of key Buddhist teachings The translations center on the monk s activities in the pan East Asian Buddhist world and his compilation of scholarly texts writings related to his interactions with royalty and correspondence with his Chinese mentor Jinshui Jingyuan 1011 1088 By incorporating ich n s work associated with doctrinal Buddhism and his poetry McBride clearly shows that even in his most personal work ich n did not abandon Hwa m teachings for those of the Ch nt ae but rather he encouraged monks to blend the best learning from all doctrinal traditions with meditative practice
