as a failed doctor Ralph Manheim's pitch perfect translation captures Céline's savage energy and a dynamic afterword by William T Vollmann presents a fresh furiously alive take on this astonishing novel **Conversations with Professor Y** Louis-Ferdinand Céline, 2006 So begins the imaginary interview that comprises this novel Professor Y the interviewing academic asks questions that allow Céline a character in his own book the chance to rail against convention and defend his idiosyncratic methods In the course of their outrageous interplay Céline comes closer to defining and justifying his poetics than in any of his other novels But this is more than just an interview As the book moves forward Professor Y reveals his real identity and the characters travel through the streets of Paris toward a bizarre climax that parodies the author the critic and most of all the establishment **Louis-Ferdinand Céline** David Hayman (critico letterario.), 1965
