Balogh, 2024-01-16 Lady Jennifer Arden and Ben Ellis know that a match between them is out of the question Yet their hearts yearn for the impossible Discover a new heartwarming story from New York Times bestselling author and beloved queen of Regency romance Mary Balogh Left unable to walk by a childhood illness Lady Jennifer sister of the Duke of Wilby has grown up to make a happy place for herself in society Outgoing and cheerful she has many friends and enjoys the pleasures of high society even if she cannot dance at balls or stroll in Hyde Park She is blessed with a large loving and protective family But she secretly dreams of marriage and children and of walking and dancing When Ben Ellis comes across Lady Jennifer as she struggles to walk with the aid of primitive crutches he instantly understands her yearning He is a fixer It is often said of him that he never saw a practical problem he did not have to solve He wants to help her discover independence and motion driving a carriage swimming even walking a different way But he must be careful He is the bastard son of the late Earl of Stratton Though he was raised with the earl's family he knows he does not really belong in the world of the ton Jennifer is shocked and intrigued by Ben's ideas and both families are alarmed by the growing friendship and perhaps more that they sense developing between the two A duke's sister certainly cannot marry the bastard son of an earl Except sometimes love can find a way **Jennifer's Body** Jenn Carmen, 2015-08-31 As a young girl Jennifer's life is perfect She lives in a quiet

Startling Figures is about Catholic fiction in a secular age and the rhetorical strategies Catholic writers employ to reach a skeptical indifferent or even hostile audience Although characters in contemporary Catholic fiction frequently struggle with doubt and fear these works retain a belief in the possibility for transcendent meaning and value beyond the limits of the purely secular Individual chapters include close readings of some of the best works of contemporary American Catholic fiction which shed light on the narrative techniques that Catholic writers use to point their characters and their readers beyond the horizon of secularity and toward an idea of transcendence while also making connections between the widely acknowledged twentieth century masters of the form and their twenty first century counterparts This book is focused both on the aspects of craft that Catholic writers employ to shape the reader s experience of the story and on the effect the story has on the reader One recurring theme that is central to both is how often Catholic writers use narrative violence and other similar disorienting techniques in order to unsettle the reader These moments can leave both characters within the stories and the readers themselves shaken and unmoored and this O Connell argues is often a first step toward the recognition and even possibly the acceptance of grace Individual chapters look at these themes in the works of Flannery O Connor J F Powers Walker Percy Tim Gautreaux Alice McDermott George Saunders and Phil Klay and Kirstin Valdez Quade *Kingman—1971* Gary Reeves,2011-01-27

Against all odds Brent Kingman is alive He survived the atrocities in Vietnam and he returned to his family home at Kingman Ranch His loved ones surround him including the love of his life Jamaica Phillips who he saved from the claws of death twice since his return home They plan to marry but fate intervenes as Brent finds himself falling victim to malaria among other unidentified illnesses picked up overseas Brents illnesses cause hallucinations which take him back to the horrors of war and beyond to a time when he was a little boy seeking solace from his father Time and again Brent asks his father to Keep the Boogeyman away Sam Kingman is devastated to see his son so weak and ill after all he went through in Vietnam Why do they deserve this Why does Brent deserve what looks like punishment The Boogeyman is part II of the Kingman1971 series following part I Jamaica The Kingman family has suffered much but young Brent Kingman has suffered the most He survived the war only to return ill and unable to adjust to normal life As the hallucinations threaten to take him under his family and loving fiancé must pull together Together they will keep the Boogeyman away Theyre the only ones who can

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
