Diaries of an Emotional Prostitute Beatrice McClearn, 2010-11-12 One might believe that the term emotional prostitute relates a provocative act In reality emotional prostitutes seek an emotional exchange in love affection or recognition While the pursued may be victim for a while the pursuer is often a lifetime victim of their own circumstances The novel depicts how abandonment and addiction can lead to emotional prostitution in young women McClearn's inspiration is mixed with stories of abandonment from former students and McClearn's former addiction to love Story Synopsis Delilah Hutchens was an ordinary girl whose only struggle was determining if God was real But after her mother's sudden abandonment and her father's love affair with alcohol Delilah's ordinary home turned upside down forcing her to denounce God and turn to emotional prostitution Her first victim was her first love J B but when he doesn't seek the same kind of fulfillment her emotional rampage spins out of control Delilah's story strips fairytales we've been fed of happily ever after Readers can connect intimately with Delilah as she uses diary entries to develop her message By the end of the novel you will discover one of two facts 1 You KNOW an emotional prostitute or 2 You ARE an emotional prostitute
