Love That Works The Art And Science Of Giving

Vijay Shankar Sharma

Love That Works The Art And Science Of Giving:

Love That Works, 2009 This original highly readable book poses a clear distinction between our customary form of love which almost guarantees failure and higher more generous ways of loving that can succeed and enrich both individuals and society as a whole Love That Works draws on history psychology and the theology and science of love to offer a proposal on how to be successful in love and romance It starts by showing why love fails to meet expectations often ending sadly or even tragically The Publishers Weekly, 2004 **Poems about Art, Science, Love and Life**, 2010-10 These poems came out of the love Dr Yadusky has for his wife Margaret and his children The will to create and the will to love are one Poems make love visible and by doing so they uplift and heal because in the presence of love everything is healed Poetry at its essence depicts a spiritual world because the mind seeks truth the heart seeks love and the spirit seeks goodness and God Poems awaken something in the reader's heart that is beyond knowledge We can define poetic creation in the same way that we define art itself namely spirit expressed into matter Poets say tangibly what they feel intangibly to give finite form to the infinite When Dr Yadusky depicts this creative spirit of love he shows us the face of God The Practical Works of Richard Baxter; with a Preface, Giving Some Account of the Author, and of this Edition of His Practical Works; an Essay on His Genius, Works, and Times ... Richard Baxter, 1847 Give Us This Day Devotionals, Volume 6 Charles Erlandson, 2023-06-29 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he's not afraid to use his sense of humor and he carefully relates the Bible not only to the individual's life but also to the life of the Church At the end of each day's devotional an appropriate Prayer is offered as well as Points for Further Reflection on the day's lesson Each devotional concludes with a suggested Resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer *Love That Works* Bruce Brander, 2004-09 Love That Works draws on history psychology and the theology and science of love to offer a proposal on how to be successful in love and romance *What is Love?* Vijay Shankar Sharma, 2018-06-27 Love plays an important part in our lives Countless books and relationship experts talk about love as the panacea for all ills in the world With the entire existing knowledge on the subject of love painstakingly researched for this book it is clear that no one really knows what love is how it happens or how can it be given or taken All that is known are the chemical changes that happen inside people in love or how they feel and other non specific things Do you know what is love Do you think it is possible to define love in a definitive and actionable manner Do you think there can be actionable guidelines on how to give and get love in any

relationship Do you think love between for Parents Children Siblings Friends Pets Causes and Objects cannot be compared Do you think love will work in business and leadership Do you think love will work in all human interactions Do you think love can be measured Prepare to be pleasantly surprised *Homenatge professor Josep M.Costa (eBook) 2a part.
