Love With A Stranger:

A Stranger's Love Laura Martin, 2011-07-15 You may be sweet but you're not innocent Bethany told herself she didn't care what Chad Alington thought of her He was a perfect stranger too perfect in fact a tall dark handsome millionaire with a stubborn streak which matched Bethany's So who would win the battle of wills Bethany had tried life as a rich man's plaything and now she was determined to live the simple life No frills or fuss and definitely no men But Chad had other ideas

For the Love of a Stranger Erin Pizzey, 1996 Here are the unforgettable life journeys that take two fascinating women from the serene countryside of Ireland to the nightclubs of New York and the life-threatening dangers of war-ravaged Europe Together and apart Anna and Mary Rose travel a tumultuous road through the pains and joys of love and marriage romance and passion and the search for true friendship

Love and Politics Jeffery L. Nicholas, 2021-06-07 In *Love and Politics* Jeffery L. Nicholas argues that Eros is the final rejection of an alienated life in which humans are prevented from developing their human powers Eros in contrast is an overflowing of acting into new realities and new beauties a world in which human beings extend their powers and senses Nicholas uniquely interprets Alasdair MacIntyre's Revolutionary Aristotelianism as a response to alienation defined as the divorce of fact from value However this account cannot address alienation in the form of the oppression of women or people of color Importantly it fails to acknowledge the domination of nature that blackens the heart of alienated life Alienation must be seen as a separation of the human from nature Nicholas turns to Aristotle first to uncover the way his philosophy embodies a divorce of human from nature then to reconstruct the essential elements of Aristotle's metaphysics to defend a philosophical anthropology based on Eros *Love and Politics* Persistent Human Desires as a Foundation for Liberation presents a critical theory that synthesizes MacIntyre's Revolutionary Aristotelianism Frankfurt School Critical Theory and Social Reproduction Theory It will be of great interest to political theorists and philosophers
