opposite to my status Rich bold courageous born in orthodoxy Brahmin family if you see it wasn't even a perfect match but love could happen to anyone We met for the first time in catering college Our story started there We were so close But never had the opportunity to express our feelings There were many situations in which We felt for each other But circumstances never had their ways in We faced a lot of hardship Her love was true in all dimensions sometimes I had disbelief and sometimes she had The situation kept digging and checking inside our heart whether it was or not Through this wonderful journey You will realize the true love can't be confined to a cage It's beyond faith It's beyond restrictions It's beyond any cast and religion In the later part of the story you might feel I am being selfish but that's how human nature would be My story will bring excitement to you

Love Beyond the Grave Hans Holzer, 2020-05-03 To most people man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind To some they are inseparable when the body dies so does the mind But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body These people accept the existence of the spirit as the eternal factor of human life believing that this part of man does not die when the body dies but continues its existence beyond death According to Dr Hans Holzer author of Love Beyond the Grave and many other books on the spiritual world we already have a wealth of hard evidence regarding this next state of existence Strong emotions are considered essential in order to make contact with someone from the spiritual world We usually equate such emotions with anger or with crimes of passion Dr Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual and in Love Beyond the Grave he gives many examples of such relationships including Sally and the Highwayman The Case of the Spurned Lover The Strange Case of the Psychic Callgirl The Ghostly Bedmate and The Affair Death Could Not Stop This is an extraordinary collection of twenty one cases of love beyond the grave all based on sound scholarship and hard facts proving once again that there are more things in heaven and earth than are dreamt of in our philosophy
