Bibliography p 83 **The Deep Heart of Franz Kafka** Deepak Gupta, 2024-11-30 Don't bend don't water it down don't try to make it logical don't edit your soul according to fashion Rather follow your most intense obsessions mercilessly Franz Kafka Franz Kafka wrote I am free that is why I'm lost Assume you wake up and the entire world is against you You want to follow yourself but the people are dominant on you to do what they want We don't feel chains until we move Franz Kafka was not a body to be defined but a soul and heart to be felt When you zoom out on his life you will find only a miserable life and a soul that was stubborn to his writings and events and nothing else and you may feel he was perpetually afraid of social life friends and even his own marriage and resulting Kafka never married his entire life and had no children He was a personality who blamed himself more than other people Even his own father Hermann Kafka was against his writing profession and in that dominance he carried out that long exhausting job of an insurance clerk for too long examining dead bodies and even after he created enough time for writing and crafted the eternal masterpieces like *The Trial* and *Metamorphosis* even though he told his literary editor and best friend Max Brod to burn all his scripts unread after his death but fortunately he didn't Kafkaesque the surrealism of Kafka is widely popular in the entire world It's a state of strange confusing oppressing and nightmarish situation like what Kafka felt in his entire life His novels are a depiction of surrealism and his state represents where people feel powerless against big not like a hermit that wouldn't be enough but like a dead man Franz Kafka
