Shadows of Love Bonnie Pike, 2011-02-10 Where does someone find inspiration If you ask a roomful of writers where they get theirs you will probably get a room full of answers all of them totally different from the next For some it can come in the form of a loved one the one you picked up and held in your arms when they were born or the one you held as they breathed their last breath For some it can be found in a walk on a brisk N Y autumn day sharing the sun with crimson colored leaves For some it can even be found in the smell of hot coffee brewing on a morning after Or that illness that everyone feels at some time in their life but which the worlds best doctors and surgeons cant put their hands on it to heal heartache Within the confines of the cover of this book you will find a writer who has found her inspiration in all of these things and managed to take all of these special moments place them in poetic form and allow the reader to feel in their own right all of the things that consist of what we humans call life **Shadow's Stand** Sarah McCarty, 2012-01-31 McCarty delivers the fifth title in her *Hell s Eight* series Former Texas Ranger Shadow Ochoa is lying low in the western Kansas territory waiting for his brothers in *Hell s Eight* to clear his name That is until he s unjustly strung up for horse thieving and pretty Fei Yen intervenes Original **Shadow's Ember** Nathan Helmly, 2025-08-27 It s true You were built from villains but Maker raised a solemn finger into the air That doesn t have to stop you from being heroes One day you will twist the Darkness own powers back on itself and conquer it once for all Tirak is a simple cybri Sure sure he can sculpt the currents of fire itself as long as someone stronger isn t already conducting them and like all cybrii he s supposed to save the world But ever since the day it was stolen from him all Tirak s wanted from life is to enjoy a quiet corner of his people s island surrounded by family But when his adopted sister gets beaten up and exiled from the city they grew up in Tirak finds himself dragged along on a quest

to beg their Maker for redemption that might just decide the fate of their island They hold opposing powers of fire and ice but the two siblings will have to learn to work together and become something more if they want to succeed An ancient darkness is coming to strangle them all and only Tirak and Kaleek stand in its way The Island s fate is in their hands as they miscommunicate their way through a bungled Hero s Journey Kaleek keeps talking about going out in a blaze of glory but all Tirak knows is he will do everything he can to not lose his last remaining connection to family **Ultimate Jump Rope**
