Loving with Demons Hana Mahmood, 2024-05-30 I have no words It is definitely one of the best books I have ever read It was written so beautifully and it was like seeing the reflection of my last relationship on every page Truly amazing My heart let down its hundreds of walls But all I was loving were his demons I met him at a party staring at me from across the room eyes the colour of midnight Like I was an undiscovered species that had fallen in his lap at the exact moment he was searching for his prey The way he pursued me was fatal Our minds and souls were attracted like magnets I had no idea I was selling my soul to the devil At first our love burned beautifully Furiously But then the fire grew out of control It destroyed everything we created The flames uncovered the truth about the man I gave my heart to They exposed the demons hiding in the darkest parts of him Nero The love of my life The narcissist Loving him left me broken Lost in the ashes of our relationship Picking up the pieces of myself I had killed to be with him The versions that had died in Nero's arms But my story doesn't end there This phoenix rose from the ashes and rebuilt her life I have my battle scars but I'm free I am Livia Dahlia And I finally choose me This is not a love story It's a cautionary tale *Loving With Demons* is an emotional seductive and completely unputdownable page turner This is a story about dark desires deadly obsession and the dangerous line between love and hatred Perfect for fans of Colleen Hoover's *It Ends With Us* Verity and *Never Never* Readers are obsessed with *Loving with Demons* Truly beautiful haunting and lyrical It really was beautifully written This book was like having therapy A masterpiece Truly amazing I loved reading this book
