

A LOW DISHONEST DECADE

PAUL N. HEHN

The Great Powers, Eastern Europe,
and the Economic Origins of
World War II, 1930-1941

Low Dishonest Decade

Leonard Weinberg

Low Dishonest Decade:

Brothers Beyond the Sea Jonathan Frederick Wagner, 1981 During the years 1933 to 1939 a pro Nazi movement developed in Canada With the support of the German National Socialist Party Canadian pro Nazi institutions were formed clubs rallies schools and newspapers The movement ended in failure The author analyzes the reasons for the formation and decline of the National Socialist Party in Canada describing in the process the general characteristics of the German community in Canada the extent of Nazi activity in this country and the influence of the Canadian environment on the movement The book well researched and carefully documented is an original contribution to Canadian history of the 1930s

A Low, Dishonest Decade Paul N. Hehn, 2005-09-26 Focusing on the rivalries among the Great Powers in the search for markets during the world depression of the 1930s the author surveys the five Major Powers and all the Eastern European countries from the Baltic to Turkey But he primarily canvases the economic situations in locations like Czechoslovakia Hungary Poland Romania and Yugoslavia

The Broadview Guide to Writing: A Handbook for Students - Sixth Edition Corey Frost, Karen Weingarten, Doug Babington, Don LePan, Maureen Okun, 2017-05-30 Even the most useful reference guides are not always well shall we say riveting A refreshing exception is the new Broadview Guide to Writing which is smart helpful and even fun to read Gerald Graff and Cathy Birkenstein authors of They Say I Say The Moves That Matter in Academic Writing Key Features A coil bound reference text suitable for a range of introductory composition and writing courses Divided into three sections Writing Processes including Research Argumentation and Style Writing Mechanics Grammar Usage and Punctuation Writing Contexts Writing in different academic disciplines Forms and conventions and citation Comprehensive treatment of citation style guides with 2016 MLA style updates Expanded treatment of research methods argument structures and writing in the workplace A unique section on How to Be Good With Words issues of gender race class religion sexual orientation disability etc Expanded coverage for those whose native language is not English All new chapter on reading images Extensive companion website featuring interactive exercises Increasingly writing handbooks are seen as over produced and overpriced One stands out The Broadview Guide to Writing is published in an elegant but simple format and sells for roughly half the price of its fancier looking competitors That does not change with the new edition what does change and stay up to date is the content of the book The sixth edition brings a substantial re organization of the contents under three headings Writing Processes Writing Mechanics and Writing Contexts Coverage of APA Chicago and CSE styles of documentation has been substantially expanded and the MLA section has now been fully revised to take into account all the 2016 changes Also expanded is coverage of academic argument of writing and critical thinking of writing about literature of paragraphing of how to integrate quoted material into one s own work of balance and parallelism and of issues of gender race religion etc in writing The chapter Seeing and Meaning Reading and Writing About Visual Images is entirely new to the sixth edition

Anglo-French Relations in the Twentieth Century Alan Sharp, Glyn

Stone, Professor Glyn A Stone, 2002-03-11 *Anglo French Relations in the Twentieth Century* is a collection of studies on the key episodes of the difficult and often discordant Anglo French exchange over the past century The authors critically re evaluate the role of Spain in Anglo French relations up to 1918 the missed opportunity of the 1920s with the failure of France and Britain to find sufficient common ground and co operation the short lived Anglo French alliance and the Second World War the degree of Anglo French Imperial co operation the Suez Crisis British and French policies on European Integration

The Broadview Guide to Writing - Sixth Edition Don LePan, Doug Babington, Maureen Okun, 2015-06-11 Increasingly writing handbooks are seen as over produced and overpriced One stands out The Broadview Guide to Writing is published in an elegant but simple format and sells for roughly half the price of its fancier looking competitors For the sixth edition the coverage of MLA APA Chicago and CSE styles of documentation has been substantially expanded as well as updated Also expanded is coverage of academic argument of writing and critical thinking of writing about literature of paragraphing of how to integrate quoted material into one s own work of balance and parallelism and of issues of gender race religion etc in writing The chapter Seeing and Meaning Reading and Writing About Visual Images is entirely new The online materials including the selection of interactive exercises have also been revised considerably **A Patriot's History® of the Modern World, Vol. I** Larry Schweikart, Dave Dougherty, 2012-10-11 America s story from 1898 to 1945 is nothing less than the triumph of American exceptionalism over liberal progressivism despite a few temporary victories by the latter Conservative historian Larry Schweikart has won wide acclaim for his number one New York Times bestseller *A Patriot s History of the United States* It proved that contrary to the liberal biases in countless other his tory books America had not really been founded on racism sexism greed and oppression Schweikart and coauthor Michael Allen restored the truly great achievements of America s patriots founders and heroes to their rightful place of honor Now Schweikart and coauthor Dave Dougherty are back with a new perspective on America s half century rise to the center of the world stage This all new volume corrects many of the biases that cloud the way people view the Treaty of Versailles the Roaring Twenties the Crash of 1929 the deployment of the atomic bomb and other critical events in global history Beginning with the Spanish American War which introduced the United States as a global military power that could no longer be ignored and con tinuing through the end of World War II this book shows how a free capitalist nation could thrive when put face to face with tyrannical and socialist powers Schweikart and Dougherty narrate the many times America proved its dominance by upholding the prin ciples on which it was founded and struggled on the rare occasions when it strayed from those principles The authors make a convincing case that America has constantly been a force for good in the world improving standards of living introducing innova tions guaranteeing liberty and offering opportunities to those who had none elsewhere They also illustrate how the country ascended to superpower status at the same time it was figuring out its own identity While American ideals were defeating tyrants abroad a con stant struggle against progressivism was being waged at home leading to the stumbles of the

Great Depression the New Deal and the attack on Pearl Harbor Despite this rocky entrance on the world stage it was during this half century that the world came to embrace all things American from its innovations and businesses to its political system and popular culture The United States began to define what the rest of the world could emulate as the new global ideal A Patriot s History of the Modern World provides a new perspective on our extraordinary past and offers lessons we can apply to preserve American exceptionalism today and tomorrow

Right-wing Violence In The Western World Since World War II Leonard Weinberg,2021-01-22 Right wing violence is undergoing a revival on both sides of the Atlantic In Europe much of this violence has been a backlash against migrants and their offspring carried out by lone wolves and organized groups In the United States race gender and religious hatreds have triggered far more than normal levels of violence including a resurgence of attacks on Jews and other anti Semitic behavior Examining the contours of the current violence this book traces the development of the right wing in the decades following the end of World War II Right Wing Violence in the Western World Since World War II considers right wing violence during the postwar era from the collapse of Nazi Germany and Fascist Italy to the mid 1950s alongside the right wing sociological and political influences inherited before WWII This chapter is followed by an overview of the right wing in North America and Europe from the 60s onwards into the digital age The book concludes with a timely and balanced assessment of the canary in the coal mine for liberal democracy

Aftershocks Seva Gunitsky,2017-03-28 Over the past century democracy spread around the world in turbulent bursts of change sweeping across national borders in dramatic cascades of revolution and reform Aftershocks offers a new global oriented explanation for this wavelike spread and retreat not only of democracy but also of its twentieth century rivals fascism and communism Seva Gunitsky argues that waves of regime change are driven by the aftermath of cataclysmic disruptions to the international system These hegemonic shocks marked by the sudden rise and fall of great powers have been essential and often neglected drivers of domestic transformations Though rare and fleeting they not only repeatedly alter the global hierarchy of powerful states but also create unique and powerful opportunities for sweeping national reforms by triggering military impositions swiftly changing the incentives of domestic actors or transforming the basis of political legitimacy itself As a result the evolution of modern regimes cannot be fully understood without examining the consequences of clashes between great powers which repeatedly and often unsuccessfully sought to cajole inspire and intimidate other states into joining their camps

The Complete Works of W. H. Auden Wystan Hugh Auden,2002 V 1 This book contains all the essays and reviews that W H Auden wrote during the years when he was living in England and also includes the full original versions of his two illustrated travel books Letters from Iceland written in collaboration with Louis MacNeice and Journey to a War written in collaboration with Christopher Isherwood Auden s early prose ranges from extravagant indiscreet travel diaries through sharply observed critiques of writers from John Skelton to Winston Churchill It includes studies of communism and Christianity audaciously wide ranging essays on literature psychology and politics and writings about gossip

sex prisons and schools V 2 W H Auden s first ten years in the United States were marked by rapid and extensive change in his life and thought He became an American citizen fell in love with Chester Kallman and began to reflect on American culture and to explore the ideas of Reinhold Niebuhr and other Protestant theologians This volume contains every piece of prose that Auden wrote during these years including essays and reviews he published under a pseudonym Most have never been reprinted in any form since their initial publication in such magazines and newspapers as the Nation the New Republic Common Sense Vogue and the New York Times V 3 This volume contains all of W H Auden s prose works from 1949 through 1955 including many little known essays that exemplify his range wit depth and wisdom The book includes the complete text of Auden s first separately published prose book The Enchaf d Flood or The Romantic Iconography of the Sea followed by more than one hundred separate essays reviews introductions and lectures as well as a questionnaire complete with his own answers about the reader s fantasy version of Eden Two reviews that Auden wrote for the New Yorker but which the magazine never printed appear here for the first time and a series of aphorisms previously published only in a French translation are printed in English Among the previously unpublished lectures is a long account of the composition of his poem Prime complete with his comments on early rejected drafts The variety of style and subject in this book is almost inexhaustible Auden writes about the imaginary mirrors that everyone carries through life French existentialism and New Yorker cartoons Freud Kierkegaard Dostoyevsky and Camus Keats Cervantes Melville Colette Byron Virgil Yeats Tolkien and Virginia Woolf opera ballet cinema prosody and music English and American poetry and society and politics and religion The introduction by Edward Mendelson places the essays in biographical and historical context and the extensive textual notes explain obscure contemporary references and provide an often amusing history of Auden s work as an editor of anthologies and a series of books by younger poets V 4 This fourth volume of W H Auden s prose provides a unique picture of this legendary writer s mind and art when he was at the height of his powers from 1956 through 1962 including the years when he was Professor of Poetry at Oxford The volume includes his best known and most important prose collection The Dyer s Hand as well as scores of essays reviews and lectures on subjects ranging from J R R Tolkien and Martin Luther to psychedelic drugs cooking and Homer Much of the material has never been collected in book form and some selections such as the witty orations Auden wrote for ceremonies at Oxford University are almost entirely unknown Edward Mendelson s introduction and comprehensive notes provide biographical and historical explanations of all obscure references The text includes extensive corrections and revisions that Auden marked in personal copies of his work and which are printed here for the first time V 5 This fifth volume of W H Auden s prose displays a great writer s mind in its full maturity of wisdom learning and emotional and moral intelligence It contains his most personally revealing essays the ones in which he wrote for the first time about the full history of his family life his sexuality and the development of his moral and religious beliefs Among these works are the lightly disguised autobiographies that appear in long essays on the Protestant mystics and on Shakespeare s

sonnets The book also features the full text of his T S Eliot Memorial Lectures Secondary Worlds and many unpublished or unavailable lectures and speeches Edward Mendelson s introduction and comprehensive notes provide biographical and historical explanations of obscure references The text includes corrections and revisions that Auden marked in personal copies of his work and that are published here for the first time V 6 This sixth and final volume of W H Auden s prose displays a great writer s mind in its full maturity of wisdom learning and emotional and moral intelligence It contains the full text of the only book that he regarded as an autobiography A Certain World in which he portrayed himself by selecting and commenting on writings by others that most affected him throughout his life It also features late essays and reviews that in many cases present lightly disguised autobiographies among them the most detailed account of his sexuality in Papa Was a Wise Old Sly Boots The appendixes gather lectures and public talks that are otherwise unpublished or unavailable Edward Mendelson s comprehensive notes provide biographical and historical explanations of obscure references The text includes corrections and revisions that Auden marked in personal copies of his work and that are published here for the first time Amazon com Enemies Within Franca Iacovetta,Roberto Perin,Angelo Principe,2000-01-01 Enemies Within is the first study of its kind to examine not only the formulation and uneven implementation of internment policy but the social and gender history of internment It brings together national and international perspectives
