Consumer Sales Law John Macleod, James Devenney, 2009-06-02 Subject matter of the supply contract goods and price Regulation of business Consumer protection and the criminal law Consumer protection and instalment credit Licensing Moneylending Seeking business Formalities of the agreement Formation of the agreement Contractual terms Undertakings as to title Undertakings as to quantity and quality Undertakings as to fitness and satisfactory quality Other implied terms and obligations Financed transactions Product liability Exclusions and disclaimers The effects of the contract The passing of property The transfer of title Risk and impossibility Delivery and possession The unpaid supplier's possessory rights Security for the price Discharge of contractual obligations Remedies of the supplier creditor or owner Enforcement by public authorities Remedies of the transferee debtor or hirer The Making of Consumer Law and Policy in Europe Hans-W. Micklitz, 2021-11-04 This book analyses the founding years of consumer law and consumer policy in Europe It combines two dimensions the making of national consumer law and the making of European consumer law and how both are intertwined The chapters on Germany Italy the Nordic countries and the United Kingdom serve to explain the economic and the political background which led to different legal and policy approaches in the then old Member States from the 1960s onwards The chapter on Poland adds a different layer the one of a former socialist country with its own consumer law and how joining the EU affected consumer law at the national level The making of European consumer law started in the 1970s rather cautiously but gradually the European Commission took an ever stronger position in promoting not only European consumer law but also in supporting the building of the European Consumer Organisation BEUC the umbrella organisation of the national consumer bodies The book unites the early protagonists who were involved in the making of consumer law in Europe Guido Alpa Ludwig Kr mer Ewa Letowska Hans W Micklitz Klaus Tonner Iain Ramsay and Thomas Wilhelmsson supported by the younger generation Aneta Wiewi rowska Domagalska Mateusz Grochowski and Koen Docter who reconstructs the history of

BEUC Niklas Olsen and Thomas Roethe analyse the construction of this policy field from a historical and sociological perspective This book offers a unique opportunity to understand a legal and political field that of consumer law and policy which plays a fundamental role in our contemporary societies **The Yearbook of Consumer Law 2009** Annette Nordhausen, Geraint Howells, 2016-02-17 The Yearbook of Consumer Law provides a valuable outlet for high quality scholarly work which tracks developments in the consumer law field with a domestic regional and international dimension The 2009 volume presents a range of peer reviewed scholarly articles analytical in approach and focusing on specific areas of consumer law such as credit consumer redress and the impact of the European Union on consumer law The book also includes a section dedicated to significant developments during the period covered such as key legislative developments and important court decisions It is an essential resource for all academics and practitioners working in the areas of consumer law and policy *Equipment for Older Or Disabled People and the Law* Michael Mandelstam, 1997 This comprehensive book explains the provision both law and practice of equipment and home adaptations to assist older or disabled people in daily living Characterised by ill defined statutory responsibilities and terminology and an under developed consumer retail market the system of provision has long been recognised as chaotic and confusing for professionals and public alike This is despite the fact that equipment and adaptations are meant to be a central plank of community care Necessarily wide ranging but maintaining its focus the book aims critically to describe the system and thereby promote better practice By exploring boundaries and breaking points it will assist people to understand the law when things go wrong from negligence to judicial review and from contract to product safety legislation The range of items covered is great from alarms to artificial limbs baths to bedrooms chopping boards to crutches electronic toothbrushes to environmental controls hearing aids to hoists incontinence pads to ironing equipment rails to ramps speech aids to stairlifts and walking frames to wheelchairs
