Lower Higher Youre A Liar:

High Time to 'Lie' Low : A whimsical collection of truth, trickery, and everything in between Anurupa Acharya,2025-10-09

From the whispered deceits that held royal courts together like fine embroidery to the grand lies that have toppled empires and rewritten history lying has never been a mere vice it is an art a performance a survival strategy Divine tricksters political puppeteers and everyday pretenders all share one common thread the lie dressed to the nines and ready for its cue High Time to Lie Low explores this rich tapestry of untruths from the serpent in Eden to the modern spin doctor from the flamboyant social faker to the charming con artist Here lies are not simply told they are curated performed even worshipped Each chapter peels back the layers of the human condition revealing how deception dances through mythology politics relationships and everyday etiquette Lies after all are not just obstacles to truth they are its most intimate companions They shape reality as much as facts do often more They are the spice in our conversations the scaffolding of diplomacy and the punchline of human folly So fasten your seatbelt and adjust your moral compass This isn't a sermon on virtue but a satirical safari through the jungle of human hypocrisy In the waltz between truth and falsehood High Time to Lie Low invites you to step onto the dance floor where nothing is quite as it seems and everything is just believable enough to be entertaining
