Loyalty Link How Loyal Employees Create Loyal Customers:

The Loyalty Link Dennis G. McCarthy, 1997-04-25 The loyalty link is a must read for any marketer who wants to understand the power of customer enthusiasm Don Hudler President Saturn Corporation In an age of consumerism downsizing and frequent layoffs it may seem that loyalty in the marketplace has fallen victim to the fast buck and the quick fix In The Loyalty Link however Dennis McCarthy reveals that loyalty between a business and its customers between employer and employee is a major competitive advantage Businesses that develop loyalty links to their employees will consistently retain loyal customers and gain a competitive edge McCarthy gives business owners managers and executives the ideas and tools to forge the crucial link between loyalty and profitability The Loyalty Link helps you strengthen the bonds of loyalty with your employees and customers alike You ll discover that the interactions between employees and customers that foster loyalty are neither random events nor the product of well rehearsed and closely supervised employee behavior They result from an overall approach that encourages and rewards discretionary effort and supports employee efforts with thorough training adequate compensation and a sense of appreciation In this eye opening book you ll discover Why satisfied customers are ripe for the picking by your competitors What it takes to exceed your customers expectations and establish a loyalty link How to create a working environment in which employees go out of their way to exceed customer expectations Training methods that inspire loyalty rather than resentment Techniques for getting customers involved in your business Whether you re a small business owner a department manager or an executive in a large corporation The Loyalty Link shows you how to make your business more customer friendly more hospitable to your employees and more profitable for yourself and your investors

Customer Relationship Management Francis Buttle, 2004-02-18 Customer Relationship Management Concepts and Tools is a breakthrough book that makes transparent the complexities of customer relationship management The book views customer relationship management as the core business strategy that integrates internal processes and functions and external networks to create and deliver value to targeted customers at a profit Customer relationship management is grounded on high quality customer data and enabled by information technology The book is a comprehensive and fully developed textbook on customer relationship management Although it shows the roles of customer data and information technology in enabling customer relationship management implementation it does not accept that customer relationship management is just about IT Rather it is about an IT and data enabled approach to customer acquisition customer retention and customer development Because customer relationship management is a core business strategy the book demonstrates how it has influence across the entire business in areas such as strategic marketing operations human resource and IT management Customer relationship management s influence also extends beyond the company to touch on partner and supplier relationships An Instructor s PowerPoint pack is available to lecturers who adopt the book Accredited lecturers can download this by going to <http://books.elsevier.com/manuals/isbn/075065502X> to request access

Relationship Marketing Thorsten Hennig-Thurau, Ursula Hansen, 2013-06-29 The concept of marketing and managing relationships with customers and other interest groups is at the core of marketing today In the academic world the topic is covered in special issues released by numerous journals e g Journal of the Academy of Marketing Science Journal of Strategic Marketing Psychology Marketing and conferences and conference sessions regularly discuss the advantages of the approach But relationship marketing is not limited to theory On the contrary no service firm or business to business company can now do without some form of long term orientation and all have implemented at least some elements of the relationship marketing concept Even in the consumer goods sector there are a growing number of cases where the traditional orientation towards brand equity is being complemented by a relational focus As Berry has mentioned relationship marketing is a new old concept Several important aspects of relationship marketing were already being discussed in the marketing literature This applies both to central constructs such as customer satisfaction and to single elements such as the management of complaints and after sales services Although they do not involve explicit mention of the term relationship VI Preface marketing a long term orientation can be found in the network approach of industrial marketing closely related to the work of the IMP Group in the work of Gronroos Gummesson and their colleagues at the Nordic School of Services Marketing and last but not least in the concept of customer focused marketing

Researching Customer Satisfaction and Loyalty Paul Szwarc, 2005-07-03 Customer satisfaction and loyalty has been one of the largest areas of market research for the past twenty years and interest in it continues to increase Organizations today invest heavily in programmes designed to retain customers as they recognize the importance of having loyal committed customers to sustain and increase company profits Researching Customer Satisfaction and Loyalty is a vital guide to this expanding area It examines how to research customer satisfaction from both a client and a supplier perspective and how to get the best results from that research The breadth of detail is exhaustive and topics covered include the development of customer satisfaction and loyalty management theories about it qualitative and quantitative research and how market research projects get commissioned The book also looks at the factors that both supplier and client need to consider when preparing a research brief and proposal how interest in this area is changing and what the future holds for research into customer satisfaction

Loyalty Myths Timothy L. Keiningham, Terry G. Vavra, Lerzan Aksoy, Henri Wallard, 2005-10-10 In Loyalty Myths the authors have assembled 53 of the most common beliefs about customer loyalty all of them wrong or misconceived Each of the beliefs in this book is debunked with real world examples While other books speak in platitudes this book is the only one to validate each proposition with real data Granted unprecedented access to customer records from a variety of multi national corporations Through these records Ipsos Loyalty was able to precisely track the impact of this customer centric construct on actual purchasing behavior The authors findings and conclusions will stun business leaders around the world The lessons learned from these provide a true guide for the proper use of customer loyalty
