resource perhaps it could be a fresh source of cultural inspiration and energy representing the authentic voice of the people in contrast to what could be seen as the limited and elitist classical tradition At the same time many Chinese intellectuals also saw folk art as a problem they believed that folk art as it was promoted superstitious and backward ideas that were incompatible with modernization and progress In either case folk art was too important to be left in the hands of the folk educated artists and researchers felt a responsibility intervene to reform folk art and create new popular art forms that would better serve the needs of the modern nation In the early 1930s folk art began to figure in the debates on social role of art and artists that were waged in the pages of the Chinese press the first major exhibition of folk art was held in Hangzhou and the new print movement claimed the print as a popular artistic medium while for the most part declaring its distance from contemporary folk printmaking practices During the war against Japan from 1937 to 1945 educated artists deployed imagery and styles drawn from folk art in morale boosting propaganda images but worried that this work fell short of true artistic accomplishment and pandering to outmoded tastes The questions raised in interaction with folk art during this pivotal period questions about heritage about the social position of art and the exercise of cultural authority continue to resonate into the present day The Economic Logic of Chinese Cultural-Creative Industries Parks Vivian Yuan

Mao,2004 The Chinese folk art of paper cutting is ancient but Lu Shengzhong's artistic practice which employs it is thoroughly modern His signature Little Red Figure a slightly devious looking splayed personage is as distinctive as a Haring graffiti man and in Lu's installations just as ubiquitous The artist fills a room with the individually replicated form which seems at once both whimsical and frightening This catalogue of an exhibition at Chambers Fine Art in New York is a work of art itself featuring a red paper cover embossed with scissors and one of the red figures Inside studio shots reveal Lu Shengzhong's involved work process and pages from his cutout books are reproduced This bridge between ancient and contemporary Chinese art is essential for fans of both *Far and Away* Andrew Solomon,2017-05-23 From the winner of the National Book Award and the National Books Critics Circle Award and one of the most original thinkers of our time Andrew Solomon's magisterial *Far and Away* collects a quarter century of soul shaking essays Vanity Fair *Far and Away* chronicles Andrew Solomon's writings about places undergoing seismic shifts political cultural and spiritual From his stint on the barricades in Moscow in 1991 when he joined artists in resisting the coup whose failure ended the Soviet Union his 2002
