Madame Ambassador The Life Of Vijaya Lakshmi Pandit:

Madame Ambassador. The Life of Vijaya Lakshmi Pandit. [With Plates, Including Portraits, a Map, and a Bibliography]. Anne Guthrie (Vice-Chairman of the Speakers' Research Committee for the United Nations.),1963 **Madame Ambassador** Anne Guthrie,1963 **The Century's Midnight** Clive Bush,2010 The Century's Midnight is an exploration of the literary and political relationships between a number of ideologically sophisticated American and European writers during a mid twentieth century dominated by the Second World War Clive Bush offers an account of an intelligent and diverse community of people of good will transcending national ideological and cultural barriers Although structured around five central figures the novelist Victor Serge the editors Dwight Macdonald and Dorothy Norman the cultural critic Lewis Mumford and the poet Muriel Rukeyser the book examines a wealth of European and American writers including Hannah Arendt Simone de Beauvoir Walter Benjamin John Dos Passos Andr Gide Henry Miller Ana s Nin George Orwell Boris Pilniak Albert Camus Jean Paul Sartre Ignacio Silone and Richard Wright The book's central theme relates politics and literature to time and narrative The author argues that knowledge of the writers of this period is of inestimable value in attempting to understand our contemporary world Cosmopolitan Elites Kira Huju,2023-11-13 Cosmopolitan Elites narrates the birth everyday life and fracturing of a Western dominated global order from its margins It offers a critical sociological examination of the elite Indian Foreign Service and its members many of whom were present at the founding of this order Kira Huju explores how these diplomats set out to remake the service in the name of a radically anti colonial global subaltern but often ended up seeking status within its hierarchies through social mimicry of its most powerful actors This is a book about the struggles of belonging it revisits what it takes to be a recognized member of international society and asks what the experience of historically marginalized actors inside the diplomatic club can tell us about the evident woes of global order today In interrogating how Indian diplomats learned to live under a Westernized world order it also offers a sociologically grounded reading of what might happen in spaces like India as the world transitions past Western domination An awkward balancing act animates the order making of India's cosmopolitan diplomats despite a genuine desire to strive toward a postcolonial world founded on diversity difference and the symbolic representation of a global subaltern there is a strong sense of a lingering caricature like notion of a white European dominated homogenous club to which Indian diplomats feel a deep rooted and colonially embedded desire to belong Cosmopolitanism operates inside this balancing act not as an international ethic upholding an equal tolerant or liberal global order but rather as an elite aesthetic which presumes cultural compliance diplomatic accommodation and social assimilation into Western mores Based on 85 interviews with Indian diplomats politicians and foreign policy experts as well as archival work in New Delhi the book asks what the experience of historically marginalized actors inside the diplomatic club tells us about the social hierarchies of race class religion gender and caste under global order **Women of India** Harshida Pandit,2017-04-07 The status and position of Indian women have

undergone many changes since the high status they enjoyed in the Vedic era yielded to forced suicide during the dark ages female infanticide purdah child marriages and the denial of property and political rights This book first published in 1985 provides a comprehensive annotated bibliography to those years and the years that followed of the relentless liberation struggle by women on the socio political and legal fronts **The 20th Century O-Z** Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography Jawaharlal Nehru Aditi De, 2009-09-08 Pandit Nehru's words that night have remained etched in the nation's memory ever since Born to a privileged family in Allahabad Jawaharlal went on to become a leading figure of the Indian independence movement During the struggle he spent over ten years in prison watched others in his family jailed time and again and led numerous protest marches and agitations Working alongside Mahatma Gandhi he helped India keep its trust with destiny and become a free nation Aditi De recounts the story of Jawaharlal Nehru's extraordinary life in this biography for young readers Filled with charming anecdotes it recounts episodes from Nehru's childhood his fascination with books and scientific experiments his student years in England and how he was drawn to the growing struggle for Indian independence Finally she sketches his role as the first Indian Prime Minister and how he shaped the newly formed democratic republic Packed with little known nuggets of information and trivia about the times this book in the Puffin Lives series brings alive the thoughts and actions of one of modern India's most important personalities **The Art of Freedom** Nico Slate, 2024-07-15 Kamaladevi Chattopadhyay 1903-1988 was a prominent socialist anticolonial and antiracist activist champion of women's rights and advocate for the arts and crafts Defying the borders of gender nation and race her efforts spanned social movements and played a leading role in the creation of modern India and the development of the Global South In *The Art of Freedom* Nico Slate showcases new archival materials to document Kamaladevi's campaign to become the first woman elected to provincial office her confrontation with Gandhi that helped open the salt protests of 1930 to women her leadership of the All India Women's Conference and the Congress Socialist Party her pioneering work with refugees during the Partition of India in 1947 the major impact she had on the arts in postcolonial India and her own career on the stage and screen Slate also draws upon underexplored details from her personal life providing new context for her experiences as a child widow her remarriage to the mercurial actor poet Harin Chattopadhyay and her divorce among the first civil divorces in modern India Taken as a whole Kamaladevi's life offers a uniquely revealing vantage point on the making of modern India a vantage point that centers the interconnections between struggles often seen as distinct and that reminds us of the full

promise of Indian democracy **Vijaya Lakshmi Pandit** Manu Bhagavan, 2023-12-22 Vijaya Lakshmi Pandit the most remarkable woman Eleanor Roosevelt had ever met was a pioneering politician and diplomat celebrated internationally for her brilliance charm and glamour Marlon Brando called her the woman he admired most in the world while ordinary American men gave up watching football to come hear her speak Pandit's life straddled the twentieth century her own story intertwined with that of the modern world She was India's first woman cabinet minister first ambassador to the United Nations and first ambassador to the Soviet Union She was also the first woman elected President of the U N General Assembly And yet her influence extended well beyond these formal roles She grew to be one of the most influential international voices of peace while also paving the way for women across the world in many fields Madame Pandit as she was widely known moved easily in global aristocratic circles even as she worked tirelessly to improve the lives of suffering millions She traded barbs and quips with Winston Churchill out debated Jan Smuts and garnered more attention than James Cagney She was arrested for the attempted assassination of Benito Mussolini and later told John F Kennedy not to go to Dallas At the end of her career she came out of retirement to battle her own niece Indira Gandhi in an epic clash of democracy vs authoritarianism Based on eight years of research and using material in five languages from seven countries and over forty archives Manu Bhagavan has written the definitive biography of Vijaya Lakshmi Pandit **Tibet** Lezlee Brown Halper, Stefan Halper, 2014-04-01 Tibet's enduring myth animated by the tales of Himalayan adventurers British military expeditions and the novel Lost Horizon remains an inspirational fantasy a modern morality play about the failure of brutality to subdue the human spirit Tibet also exercises immense soft power as one of the lenses through which the world views China This book traces the origins and manifestations of the Tibetan myth as propagated by Younghusband Madam Blavatsky Himmler Acheson and Roosevelt The authors discuss how after WW2 Tibet isolated misunderstood and with a tiny elite unschooled in political military realities misread the diplomacy between its two giant neighbours India and China forlornly hoping London or Washington might intervene China's People's Liberation Army sought nothing less than to deconstruct traditional Tibet unseat the Dalai Lama and absorb this vast region into the People's Republic and Lhasa succumbed to China's invasion in 1950 Drawing on declassified CIA and Chinese documents the authors reveal Mao's collusion with Stalin to subdue Tibet double dealing by Nehru the brilliant diplomacy of Chou en Lai and how Washington saw sawed between the China lobby who insisted there be no backing for an independent Tibet and Presidents Truman and later Eisenhower who initiated a covert CIA programme to support the Dalai Lama and resist Chinese occupation It is an ignoble saga with few if any heroes other than ordinary Tibetans **Dictionary of World Biography: The 20th century, O-Z** Frank Northen Magill, Christina J. Moose, Alison Aves, 1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a

quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

Women and the UN Rebecca Adami, Dan Plesch, 2021-07-28. This book provides a critical history of influential women in the United Nations and seeks to inspire empowerment with role models from bygone eras. The women whose voices this book presents helped shape UN conventions, declarations, and policies with relevance to the international human rights of women throughout the world today. From the founding of the UN up until the Latin American feminist movements that pushed for gender equality in the UN Charter and the Security Council Resolutions on the role of women in peace and conflict, the volume reflects on how women delegates from different parts of the world have negotiated and disagreed on human rights issues related to gender within the UN throughout time. In doing so, it sheds new light on how these hidden historical narratives enrich theoretical studies in international relations and global agency today. In view of contemporary feminist and postmodern critiques of the origin of human rights, uncovering women's history of the United Nations from both Southern and Western perspectives allows us to consider questions of feminism and agency in international relations afresh. With contributions from leading scholars and practitioners of law, diplomacy, history, and development studies and brought together by a theoretical commentary by the Editors, *Women and the UN* will appeal to anyone whose research covers human rights, gender equality, international development, or the history of civil society. The Open Access version of this book is available at <http://www.taylorfrancis.com/books/e/9781003036708> and has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license.

A Comprehensive, Annotated Bibliography on Mahatma Gandhi Ananda M. Pandiri, 2007-02-28. Few figures in the twentieth century have been as inspirational as Mohandas Mahatma Gandhi. Interest in this extraordinary man has produced a massive amount of printed material, making Ananda M. Pandiri's comprehensive bibliography an invaluable reference tool for scholars and students. Pandiri has meticulously searched printed and electronic indexes, publisher's catalogs, and university libraries throughout India, Britain, and the U.S. to compile a complete bibliography of sources in the English language. This volume is organized and cross-referenced for easy use and access to a voluminous amount of information. Features include: More than 4700 entries comprising books, pamphlets, seminars, government records, and other significant printed material; Complete bibliographic data of sources; Annotations detailing the content and scholarship of sources; Two exhaustive indexes: Title and Subject.

For the Many Dorothy Sue Cobble, 2024-12-10. A history of the twentieth-century feminists who fought for the rights of women workers and the poor, both in the United States and abroad, *For the Many* presents an inspiring look at how US women and their global allies pushed the nation and the world toward justice and greater equality for all. Reclaiming social democracy as one of the central threads of American feminism, Dorothy Sue Cobble offers a bold rewriting of twentieth-century feminist history and documents how forces, peoples, and ideas

worldwide shaped American politics Cobble follows egalitarian women s activism from the explosion of democracy movements before World War I to the establishment of the New Deal through the upheavals in rights and social citizenship at midcentury to the reassertion of conservatism and the revival of female led movements today Cobble brings to life the women who crossed borders of class race and nation to build grassroots campaigns found international institutions and enact policies dedicated to raising standards of life for everyone Readers encounter famous figures including Eleanor Roosevelt Frances Perkins and Mary McLeod Bethune together with less well known leaders such as Rose Schneiderman Maida Springer Kemp and Esther Peterson Multiple generations partnered to expand social and economic rights and despite setbacks the fight for the many persists as twenty first century activists urgently demand a more caring inclusive world Putting women at the center of US political history For the Many reveals the powerful currents of democratic equality that spurred American feminists to seek a better life for all

Breaking Protocol Philip Nash, 2020-01-21 An in depth history of the Big Six the first six female ambassadors for the United States It used to be soon to be secretary of state Madeleine K Albright said in 1996 that the only way a woman could truly make her foreign policy views felt was by marrying a diplomat and then pouring tea on an offending ambassador s lap This world of US diplomacy excluded women for a variety of misguided reasons they would let their emotions interfere with the task of diplomacy they were not up to the deadly risks that could arise overseas and they would be unable to cultivate the social contacts vital to success in the field The men of the State Department objected but had to admit women including the first female ambassadors Ruth Bryan Owen Florence Daisy Harriman Perle Mesta Eugenie Anderson Clare Boothe Luce and Frances Willis These were among the most influential women in US foreign relations in their era Using newly available archival sources Philip Nash examines the history of the Big Six and how they carved out their rightful place in history After a chapter capturing the male world of American diplomacy in the early twentieth century the book devotes one chapter to each of the female ambassadors and delves into a number of topics including their backgrounds and appointments the issues they faced while on the job how they were received by host countries the complications of protocol and the press coverage they received which was paradoxically favorable yet deeply sexist In an epilogue that also provides an overview of the role of women in modern US diplomacy Nash reveals how these trailblazers helped pave the way for more gender parity in US foreign relations Praise for *Breaking Protocol* Here at last is the long neglected story of America s pioneering women diplomats *Breaking Protocol* reveals the contributions of six trail blazers who practiced innovative statecraft in order to surmount all kinds of obstacles including many posed by their own employer the U S State Department Philip Nash s illuminating study offers an invaluable foundation for our understanding of contemporary foreign policy decision makers Sylvia Bashevkin author of *Women as Foreign Policy Leaders* National Security and Gender Politics in Superpower America Diplomacy is the one field of public political life that has been relatively open to women we need only think of Hillary Clinton Condoleezza Rice and Madeleine Albright In *Breaking Protocol* Philip Nash

reminds us of the history of their achievements with an enduring and enticing record of the much longer surprising history of female diplomats and their individual efforts to shape American and international politics Glenda Sluga University of Sydney

Mother India Pranay Gupte, 2011-06-20 Mother India is the fascinating story of independent India's most complex political figure Indira Gandhi the enigmatic and solitary daughter of the country's first prime minister who rose to become prime minister herself

Standard Catalog for High School Libraries, 1963 The 1st ed accompanied by a list of Library of Congress card numbers for books except fiction pamphlets etc which are included in the 1st ed and its supplement 1926 29

India and the Quest for One World M. Bhagavan, 2013-09-27 India and the Quest for One World revolutionizes the history of human rights with dramatic impact on some of the most contentious debates of our time by capturing the exceptional efforts of Mahatma Gandhi and the Nehrus to counter the divisions of the Cold War with an uplifting new vision of justice built on the principle of unity in diversity

Mobilizing Religion and Gender in India Nandini Deo, 2015-10-30 Religious nationalists and women's activists have transformed India over the past century They debated the idea of India under colonial rule shaped the constitutional structure of Indian democracy and questioned the legitimacy of the postcolonial consensus as they politicized one dimension of identity Using a historical comparative approach the book argues that external events activist agency in strategizing and the political economy of transnational networks explain the relative success and failure of Hindu nationalism and the Indian women's movement rather than the ideological claims each movement makes By focusing on how particular activist strategies lead to increased levels of public support it shows how it is these strategies rather than the ideologies of Hindutva and feminism that mobilize people Both of these social movements have had decades of great power and influence and decades of relative irrelevance and both challenge postcolonial India's secular settlement its division of public and private The book goes on to highlight new insights into the inner dynamics of each movement by showing how the same strategies grassroots education electoral mobilization media management donor cultivation lead to similarly positive results Bringing together the study of Hindu nationalism and the Indian women's movement the book will be of interest to students and scholars of South Asian Religion Gender Studies and South Asian Politics
