Maths In The Mind A Process Approach To Mental Strategies:

Maths in the Mind Ann Baker, Johnny Baker, 1991 Resource book for primary school mathematics teachers focusing on the development of mental skills and strategies Suggested activities encourage children to use their knowledge to independently solve mathematical problems Includes a bibliography and an index The authors have extensive experience in the field of mathematics education Companion volume to TMathematics in Process and TCounting on a Small Planet

Maths in the Mind Ann Baker, 1991 Maths in the Mind suggests starting points for encouraging children to become fluent and independent thinkers in math lessons It presents ideas for building on strategies that children acquire naturally before they come to school and outlines a rich variety of strategies that research has found children develop as they become more competent at mathematics The activities presented in this book encourage children to use and develop these strategies as part of their mathematical thinking across the full range of the primary school The activities have been extensively trialled in the classroom as the photographs which accompany the text demonstrate Maths in the Mind emphasizes the processes involved in mathematical thinking rather than the right answer Children are encouraged to explore to delve into what they do know and this reduces the sense of helplessness that can occur when they don't know what to do Maths in the
