book Megan Hill answers a common question of churchgoers What s so great about the church With rich theology practical direction and study questions for group use Hill encourages and equips both first time visitors and regular members to delight in being a part of the local church no matter how messy and ordinary it seems today It is only when God s people begin to see one another as the Lord sees them that they will truly find a place to belong *Paul's True Rhetoric* Mark Douglas Given,2001-01-01 Given argues that Paul s rhetorical strategies in Acts and in his letters display intentional ambiguity cunning and deception and make vulnerable to the charge that he perpetrates sophistries *The Nine Veils* Nicholas Matthews,2019-09-10 From the Author My God is kind compassionate merciful and he loves me Yet there are questions that arise there are accounts of God that seem contradictory to my simplicity and there are accusations against God that can leave me struggling for an explanation At times I ve been confused by the concept of God s love and the reality of life and there often existed a dichotomy between the two I wrote this book after numerous conversations with friends who regardless of their spiritual journey have experienced similar thoughts or have simply ignored some of the hard questions of life and faith Common societal thinking in many areas is moving towards a position where people regard God as an outdated fairy tale with a sinister undertone leading to apathy or resentment towards God This is far removed from my notion of a living and loving God who is kind compassionate and merciful Embarking on my personal journey of discovering God s reputation I have a hunch that I m not alone I need to explore God and find comfort with the answer Would you join me on this journey of discovery Maybe all the dots haven t been joined and some of the joined dots remain open to interpretation yet the line I ve used to join the dots is what I know of the underlying nature and character of God **Hidden Babylon and God's Last Warning** Mark Davidson,2023-05-30 Who is Babylon the Great in the book of Revelation Perhaps you ve read God s warning to Come out of her my people and asked yourself if that warning applied to you Mark Davidson approaches this question from a unique angle He makes the scriptural case that Babylon the Great is the exact opposite of the Bride Just as those who make up the Bride follow Christ those who make up Babylon the Great follow their own idols and desires The implication is that Babylon the Great comprises the entire world of people who do not follow Christ nor make Christ the highest love of their lives Babylon the Great encompassing the whole world is why Revelation 18 24 says all the blood of those slain on the earth is found in her Therefore God s call in Revelation 18 4 to Come out of her has ominous implications for every person whether Christian or not Churches call for people to repent of their sins However sin is the result of idolatrous desires Idolatry is subtle in everyone s hearts whether atheist or churchgoer and its manifestations are everywhere Everyone is susceptible God s last warning in the Bible to Come out of her my people comes with consequences Ignore this exhortation at your own peril Praise for Hidden Babylon and God s Last Warning Mark s unique gift of looking at the Scriptures with a fresh and dynamic perspective will open the eyes of all of us as we look at the challenges of living in the last days and help us not succumb to fear and bondage Carl Sutter senior pastor Foundations Church Loveland Colorado This

book will force believers to take a much deeper look at culture as it unfolds right before our eyes Mark Davidson brilliantly brings together a fresh biblical perspective this book confronts the major cultural issues of our time by spotlighting them with sound biblical proofs Al Fadi pastor preacher and teacher founder of CIRA International I encourage you to spend time in personal reflection reading through Mark s book Take advantage of Mark s study bringing insight to the idols that bind us and it will move you to a deeper experience with God as it did for me Jon Voget development director Multiplication Network
