Nature Of Woman An Encyclopedia And Guide To The Literature:

The Nature of Woman Mary Anne Warren, 1980 This book attempts to bring together in one volume an overview of the considerable literature particularly from philosophy and the social sciences on the nature of woman It provides introductions to the arguments and conclusions about this topic of a wide range of Western thinkers from Plato Aristotle and the authors of Genesis to the feminists and antifeminists of the 1970s Each has presented original or influential theories on some or all of the following issues 1 moral psychological theological and other intrinsic differences between women and men apart from the obvious biological ones 2 causal explanations of sex dominance where it occurs 3 the moral implications of sex roles and the moral aspects of other issues of special relevance to women e g abortion and 4 possible means of engineering social change with respect to sex roles The Long Road of Woman's Memory Jane Addams, 2002 In response to these sometimes wrenching conversations Addams wrote *The Long Road of Woman's Memory* an extended musing on the role of memory and myth in women's lives

"Femininity," "masculinity," and "androgyny" Mary Vetterling-Braggin, 1982 To find more information about Rowman and Littlefield titles please visit [www rowmanlittlefield com](http://www.rowmanlittlefield.com) Introduction To Library Research In Women's Studies Susan E. Searing, 2019-02-26 This annotated bibliography evaluates the traditional reference aids available in most college libraries in terms of their usefulness in women's studies research highlighting issues and problems of central concern to researchers in women's studies

Women and Spirituality Ursula King, 1993-07-21 Taking a critical look at feminism and exploring its explicit and implicit spiritual dimensions this revised and updated new edition of *Women and Spirituality* engages in a reflective dialogue with contemporary women's voices It asks to what extent patriarchal oppression and androcentric thinking are inherent not only in Christianity but in all religious beliefs practices and institutions This is the only book which provides a comprehensive survey of current discussions in feminist theology and spirituality and offers a wide ranging account of women and world religions and raising thought provoking questions about the spiritual dimensions of human life The Transpersonal John Rowan, 2013-12-19 In this new edition of *The*

Transpersonal John Rowan takes account of the growing interest in spirituality assessing the many new developments in the field and providing an essential overview of the multitude of guides now available on the subject By providing a clear and highly readable introduction to the realm of the transpersonal this book eliminates many of the misunderstandings that plague this area It relates the transpersonal to everyday life as well as to professional concerns and the various schools of therapy Divided into three parts Being Doing and Knowing it encourages the reader to explore the levels of consciousness the techniques involved in transpersonal work and the underlying theory The unique relationship between the therapist and client is examined in detail as are the imagined and imaginal world personal mythology and transcultural work An entirely new section is included on the ways in which the transpersonal therapist can use the concept of subpersonalities This fully updated and revised version of John Rowan's original pioneering text provides a highly practical guide which will be useful to
