Nature And Religious Imagination From Edwards To Bushnell:

Nature and Religious Imagination Conrad Cherry,1980

Horace Bushnell on Christian Character

Development Lee J. Makowski,1999 Horace Bushnell on Christian Character Development examines the issue of character development in the speculative works and sermons of Horace Bushnell in relation to Orthodox Calvinist Unitarian and contemporary Catholic considerations of the same The author emphasizes the practical purpose of theological investigation to promote the universal cause of personal growth and development He systematically presents Bushnell s thought on that popular issue by way of a critical analysis of his language theory his rhetoric and his understanding of theology as a kind of persuasive art Bushnell proposed a theological alternative to the typical understanding of character development conversion espoused by Orthodox Calvinism Unitarianism and secular humanism His alternative incorporated the strengths of those historically influential bodies of thought and compensated for what he thought to be deficient in them In this book the reader is introduced to a theology that is remarkable for its insights into human interiority its soundness as a proposal for wholesome human living and its ecumenical spirit

The Theology of Jonathan Edwards Conrad Cherry,1990-02-22 the Edwards of Cherry sits for a n intellectual portrait done with concepts as colors and with reason as the brush It is a picture faithfully and competently drawn New York Times Book Review 1967 this is a very good book It stresses the integral relationship of heart and mind intellect and will throughout Edwards an important book required reading for any student of Edwards Church History 1967

Jonathan Edwards and the Trinitarian Shape of Beauty John Cunningham,2015-06-02 This dissertation is a theological analysis of the trinitarian shape of Jonathan Edwards aesthetics of beauty The contributions of this dissertation lie chiefly in three areas The primary aim of this study is to advance the burgeoning field of the study of Jonathan Edwards by elucidating his views of beauty In so doing I present him as a rich source for the theological engagement of beauty which could serve not only the field of Edwards studies but also that of theological aesthetics more broadly

Law and Providence in Joseph Bellamy's New England Mark Valeri,1994-10-13 This study of religious thought and social life in early America focuses on the career of Joseph Bellamy 1719 1790 a Connecticut Calvinist minister noted chiefly for his role in originating the New Divinity the influential theological movement that evolved from the writings of Bellamy s teacher Jonathan Edwards Tracing Bellamy s contributions as a preacher noted controversialist and church leader from the Great Awakening to the American Revolution Mark Valeri explores why the New Divinity was so immensely popular Set in social contexts such as the emergent market economy the war against France and the politics of rebellion Valeri shows Bellamy s story reveals much about the relationship between religion and public issues in colonial New England

Princeton Seminary in American Religion and Culture James H. Moorhead,2012-08-31 The story of Princeton Theological Seminary the Presbyterian Church s first seminary in America begins in 1812 shortly after the United States had entered into its second war against Great Britain Princeton went on to become a model of American theological education setting the

standard for subsequent seminaries and other religious higher education institutions Princeton's story is uniquely intertwined with American religious and cultural history the history of theological education the Presbyterian church and conceptions of ministry in general Thus this volume will interest not only those with links to Princeton but also historians of religion Presbyterians leaders within seminaries and Christian colleges and all who are interested in the history of Christian thought in America

The Philosophical Theology of Jonathan Edwards Sang Hyun Lee, 2020-12-08 This book demonstrates the originality and coherence of Jonathan Edwards' philosophical theology using his dynamic reconception of reality as the interpretive key The author argues that what underlies Edwards' writings is a radical shift from the traditional Western metaphysics of substance and form to a new conception of the world as a network of dispositions active and abiding principles that possess reality apart from their manifestations in actions and events Edwards' dispositional ontology enables him to restate the Augustinian Calvinist tradition in theology in a strikingly modern philosophical framework A prime example of Edwards' innovative reconstruction in philosophical theology is his conception of God as both eternal actuality and a disposition to repeat that actuality within God and also through creation This view is a compelling alternative to the traditional Western doctrine of God as changeless actuality on the one hand and the recent process theologians' excessive stress on God's involvement in change on the other Edwards' achievement was that he saw dynamic movement as essential to God's own life without compromising the traditional Christian tenets of God's prior actuality and transcendence The author of this volume also explicates the way in which Edwards' dynamic reconception of reality informs his theories of imagination aesthetic perception the knowledge of God and the meaning of history This expanded edition includes a new preface and a new appendix titled Jonathan Edwards on Nature

Off the Menu Rita Nakashima Brock, 2007-01-01 Asian American Christianity is one of the fastest growing forms of American Christianity and it has already proven to be one of the richest and most innovative movements in North American religion With a deep understanding of their roots in classic Christianity as well as the diversity of Asian culture these theological voices have contributed some of the freshest and most provocative work of recent decades This volume brings together women who are searching for authentic Christian dialogue in a world of hybridity and changing context and it represents one of the most significant areas of growth and vitality in contemporary Christianity

The Culture of Calamity Kevin Rozario, 2007-08-15 Turn on the news and it looks as if we live in a time and place unusually consumed by the specter of disaster The events of 9/11 and the promise of future attacks Hurricane Katrina and the destruction of New Orleans and the inevitable consequences of environmental devastation all contribute to an atmosphere of imminent doom But reading an account of the San Francisco earthquake of 1906 with its vivid evocation of buildings crumbling as one might crush a biscuit we see that calamities whether natural or man-made have long had an impact on the American consciousness Uncovering the history of Americans' responses to disaster from their colonial past up to the present Kevin Rozario reveals the vital role that calamity and our abiding fascination with it has played in the

development of this nation Beginning with the Puritan view of disaster as God's instrument of correction Rozario explores how catastrophic events frequently inspired positive reactions He argues that they have shaped American life by providing an opportunity to take stock of our values and social institutions Destruction leads naturally to rebuilding and here we learn that disasters have been a boon to capitalism and paradoxically indispensable to the construction of dominant American ideas of progress As Rozario turns to the present he finds that the impulse to respond creatively to disasters is mitigated by a mania for security Terror alerts and duct tape represent the cynical politician's attitude about 9/11 but Rozario focuses on how the attacks registered in the popular imagination how responses to genuine calamity were mediated by the hyperreal thrills of movies how apocalyptic literature like the best selling Left Behind series recycles Puritan religious outlooks while adopting Hollywood's style and how the convergence of these two ways of imagining disaster points to a new postmodern culture of calamity The Culture of Calamity will stand as the definitive diagnosis of the peculiarly American addiction to the spectacle of destruction

Making Nature Sacred John Gatta, 2004-10-14 This book argues that the religious import of American environmental literature has yet to be fully recognized or understood Making Nature Sacred explores how the quest for natural revelation has been pursued through successive phases of American literary and intellectual history

The Spirit of the Appalachian Trail Susan Power Bratton, 2012-05-30 Want to know what wilderness means to people who live it for over two thousand miles Then read this extremely interesting informative intelligent and thoughtful book Roger S Gottlieb author of Engaging Voices Tales of Morality and Meaning in an Age of Global Warming There is no doubt that Bratton's book will be of value to students and scholars of leisure studies recreation and religion Those who are familiar with the Appalachian Trail sense intuitively that a journey along its length kindles spiritual awakening this book provides the hard data to prove it's true David Brill author of As Far as the Eye Can See Reflections of an Appalachian Trail Hiker The Appalachian Trail covers 2,180 miles passing through fourteen states from Georgia to Maine Each year an estimated 2.3 million people visit the trail and almost two thousand attempt a thru hike walking the entire distance of the path For many the journey transcends a mere walk in the woods and becomes a modern day pilgrimage In The Spirit of the Appalachian Trail Community Environment and Belief Susan Power Bratton addresses the spiritual dimensions of hiking the Appalachian Trail AT Hikers often comment on how their experience as thru hikers changes them spiritually forever but this is the first study to evaluate these religious or quasireligious claims critically Rather than ask if wilderness and outdoor recreation have benefits for the soul this volume investigates specifically how long distance walking might enhance both body and mind Most who are familiar with the AT sense intuitively that a trek along its length kindles spiritual awakening Using both a quantitative and qualitative approach this book provides the hard data to support this notion Bratton bases her work on five sources an exhaustive survey of long distance AT hikers published trail diaries and memoirs hikers own logs and postings her own personal observations from many years on the trail and conversations with numerous members of the AT community including the trail angels residents

of small towns along the path who attend to hikers need for food shelter or medical attention The abundant photographs reinforce the text and enable visualization of the cultural and natural context This volume is fully indexed with extensive reference and notes sections and detailed appendixes Written in an engaging and accessible style *The Spirit of the Appalachian Trail* presents a full picture of the spirituality of the AT Susan Power Bratton is professor of environmental studies She is the author of *Six Billion and More Human Population Regulation and Christian Ethics Environmental Values in Christian Art and Christianity Wilderness and Wildlife The Original Desert Solitaire* *The Scandal of the Evangelical Mind* Mark A. Noll, 2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism's most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections **The Open Secret** Alister E. McGrath, 2011-09-23 Natural theology in the view of many is in crisis In this long awaited book Alister McGrath sets out a new vision for natural theology re establishing its legitimacy and utility A timely and innovative resource on natural theology the exploration of knowledge of God as it is observed through nature Written by internationally regarded theologian and author of numerous bestselling books Alister McGrath Develops an intellectually rigorous vision of natural theology as a point of convergence between the Christian faith the arts and literature and the natural sciences opening up important possibilities for dialogue and cross fertilization Treats natural theology as a cultural phenomenon broader than Christianity itself yet always possessing a distinctively Christian embodiment Explores topics including beauty goodness truth and the theological imagination how investigating nature gives rise to both theological and scientific theories the idea of a distinctively Christian approach to nature and how natural theology can function as a bridge between Christianity and other faiths *The Savage Side* B. Jill Carroll, 2001 In this book B Jill Carroll uses the nature writing of Annie Dillard and the philosophical categories of Emmanuel Levinas to critique the models of God that drive contemporary political theologies especially feminist and liberation theologies These political theologies ignore the amoral and often harsh aspects of our existence in the natural world even though they often align God with the cosmos Political theologies excise from their models of God all notions of violence indifference to social justice or

general amorality in favor of models that support and advance specific social political and economic ideologies Such domestication of God does not do justice to the hard facts of our existence in the natural world nor does it fully plumb the depths of using nature to metaphorize God Furthermore Carroll argues that current political models of God do not survive the most important critiques of religion in the modern era namely those leveled by Feuerbach Freud and Nietzsche Instead the God of the oppressed stands tall among any number of gods that exist primarily as projections of our best selves illusions rooted in wish fulfillment and attempts to further our own personal goals by claiming the universe is on our side The Savage Side offers us a glimpse of a natural theology uninterested in apologetics but thoroughly obsessed with using the natural world as a springboard for describing God The God that emerges is wildly beautiful terrifyingly indifferent to political or moral ideology the consummate Other and the ultimate ground of our being This book demands to be read by anyone interested in the relationship between religion and politics especially those who have given themselves to the cause of social justice in the name of God Readers will be challenged to let go of comfortable but outdated notions of deity despite their convenience for the advancement of certain social and political goals like gay and lesbian rights women s rights or third world liberation Indeed the claim that God is on our side emerges as the most problematic claim of contemporary constructive theology

Biodiversity Conservation Ethics in Major Religions H. S. A. Yahya,2010-10-22 Covering three broader issues biodiversity conservation religious doctrine and environment the book Biodiversity Conservation Ethics in Major Religions is the result of a unique approach It attempts to initiate scientific discourse through the fabric of religions Spread across 15 chapters the book covers the essence of 10 religions on biodiversity encompassing a wide range of issues related to conservation The book promises to be a useful resource for biodiversity students researchers and protected area managers and also for religious scholars who are invited to look at the broader themes of religions beyond theology

Three Golden Ages Alf J. Mapp,1998-11-13 Historian Alf J Mapp Jr delves into the economic social and artistic characteristics of three of the most intensely creative periods in Western history to explore the qualities that enabled these societies to make staggering jumps in scientific knowledge develop new political structures and create timeless works of art With his insight into Renaissance Florence Elizabethan England and Revolutionary War era America and his discussion of the key leaders and thinkers who helped shape each period Mapp heightens our understanding of the elements that nurture sparks of progress and innovation in every civilization

God and the Natural World Walter H. Conser,1993 In his revisionist evaluation Conser reveals the strategies by which a diverse group of influential Protestant theologians energetically reconciled pre Darwinian science with traditional Christian beliefs and in doing so shaped the antebellum discussion of science and religion 10 halftone illustrations

The Expansion of Metaphysics Miklos Veto,2018-06-01 The culmination of a lifetime s preoccupation with crucial human concerns too often curiously marginalized by the history of philosophy The Expansion of Metaphysics sheds new light on freedom and the will by making the phenomenon of novelty

philosophically intelligible The a priori synthesis of Kant is joined to Judeo Christian themes the kenosis of Christ in the incarnation and the tzimtzum of God in the creation in order to develop a doctrine of superabundance freedom and love and singularity with the Work of Art and the Child as paradigms Space and time are reanalyzed as structural forms of human existence as Vet guides the reader into the depths and heights of reality climaxing in a metaphysics of good and evil

A *Companion to American Environmental History* Douglas Cazaux Sackman, 2010-02-12 A Companion to American Environmental History gathers together a comprehensive collection of over 30 essays that examine the evolving and diverse field of American environmental history Provides a complete historiography of American environmental history Brings the field up to date to reflect the latest trends and encourages new directions for the field Includes the work of path breaking environmental historians from the founders of the field to contributions from innovative young scholars Takes stock of the discipline through five topically themed parts with essays ranging from American Indian Environmental Relations to Cities and Suburbs

Vacationland William Philpott, 2013-08-30 Winner of the Western Writers of America 2014 Spur Award for Best Western Nonfiction Contemporary Mention the Colorado high country today and vacation imagery springs immediately to mind mountain scenery camping hiking skiing and world renowned resorts like Aspen and Vail But not so long ago the high country was isolated and little visited Vacationland tells the story of the region's dramatic transformation in the decades after World War II when a loose coalition of tourist boosters fashioned alluring images of nature in the high country and a multitude of local state and federal actors built the infrastructure for high volume tourism ski mountains stocked trout streams motels resort villages and highway improvements that culminated in an entirely new corridor through the Rockies Interstate 70 Vacationland is more than just the tale of one tourist region It is a case study of how the consumerism of the postwar years rearranged landscapes and revolutionized American environmental attitudes Postwar tourists pioneered new ways of relating to nature forging surprisingly strong personal connections to their landscapes of leisure and in many cases reinventing their lifestyles and identities to make vacationland their permanent home They sparked not just a population boom in popular tourist destinations like Colorado but also a new kind of environmental politics as they demanded protection for the aesthetic and recreational qualities of place that promoters had sold them Those demands energized the American environmental movement but also gave it blind spots that still plague it today Peopled with colorful characters richly evocative of the Rocky Mountain landscape Vacationland forces us to consider how profoundly tourism changed Colorado and America and to grapple with both the potential and the problems of our familiar ways of relating to environment nature and place

Unveiling the Magic of Words: A Review of "**Nature And Religious Imagination From Edwards To Bushnell**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Nature And Religious Imagination From Edwards To Bushnell Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Nature And Religious Imagination From Edwards To Bushnell free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Nature And Religious Imagination From Edwards To Bushnell free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Nature And Religious Imagination From Edwards To Bushnell free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Nature And Religious Imagination From Edwards To Bushnell. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Nature And Religious Imagination From Edwards To Bushnell any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Nature And Religious Imagination From Edwards To Bushnell Books

1. Where can I buy Nature And Religious Imagination From Edwards To Bushnell books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
