

For ten years, the dual objective of Nautical Quarterly has been to express in words and pictures the love affair that yachtsmen and yachtswomen have with boats and the sea and to focus on what is excellent in the seafaring experience. As one leading publisher summed it up: "Nautical Quarterly is the custodian of great yachting literature."

In setting out to create a magazine for yachtsmen that expresses the aesthetics, technology, heritage and pure pleasure of boats and the marine environment, NQ had to break the mold of yachting journalism. A measure of achievement is best exemplified perhaps when, in 1982, the American Society of Magazine Editors and the Columbia Graduate School of Journalism selected Nautical Quarterly as the winner of the National Magazine Award for Best Niche Publication.

This 10-Year Index is a measure of a different kind. It encompasses the sport of boating in all its variety as reported by Nautical Quarterly over the years. Power boats, Maxi-race yachts, rowing boats, sailboats, sailors, boat designers and builders . . . marine artists, photographers, authors . . . cruising passages, race events, boat shows . . . history, tradition and the marine environment.

Although Nautical Quarterly is published in the small New England coastal town of New Rochelle, Connecticut, its perspective is worldwide, and its coverage truly international in scope. For beauty and excitement, the marine experience is not limited to one country, one waterfront or one type of boat. It is truly global, and NQ's mission is to seek it out in all its manifestations and bring it home to our readers.

It is hoped that this Index will help you find articles and pictures about whatever you most enjoy about this fabulous sport. Many libraries have complete sets of Nautical Quarterly, and we try to maintain an inventory of back issues should any be needed by our subscribers.

Nautical Quarterly 49 Spring 1990:

Adventures in the Trade Wind Richard Dey, 2009-08-20 This is at once the biography of an Englishman who became the pioneering charterboat skipper of an American yacht and a history of the charterboat business in the islands Morris Nicholson's story reflects a time now all but vanished in the islands beginning when they were neglected colonial outposts and a single yacht meant income for the islanders In no other book is there an account of how skippered yachts bareboats and headboats came to sail the Caribbean Sea and became an economic sector However it is Nicholson's story and his stories of others that drives the narrative and fills it with human interest Nautical Quarterly ,1990 **Nautical Research Journal** ,2006 Ulrich's International Periodicals Directory, 1990-91 R R Bowker Publishing,1990 *Michigan Magazine Index* ,1968 Ulrich's International Periodicals Directory Carolyn Farquhar Ulrich,1993 **Caduceus** ,1990 *US-China Rivalry and Taiwan's Mainland Policy* Dean P. Chen,2017-03-21 This book examines changes in Taiwan's policies toward Mainland China under former Republic of China ROC President Ma Ying jeou 2008 16 and considers their implications for US policy toward the Taiwan Strait In recent years the People's Republic of China PRC's increasingly assertive foreign policy behaviors have heightened tensions with its regional neighbors as well as the United States However under the Kuomintang KMT administration of Ma Ying jeou Taiwan discounted Beijing's coercion and pursued rapprochement on the basis of the 1992 consensus which was a tacit agreement reached between the KMT and Chinese Communist Party in 1992 that both Taiwan and the mainland belong to one China though that China is subjected to either side's different interpretations The author of this volume analyzes why Taipei underreacted towards the security challenges posed by the PRC and chartered policies that sometimes went against the interests of Washington and its allies in the Asia Pacific The KMT was pushing for nation building initiatives to rejuvenate the ROC's one China ruling legitimacy and to supplant pro independence forces within Taiwan The island's deeply fragmented domestic politics and partisanship have led policy elites to choose suboptimal strategy and thereby weakening its security position The implications from this study are equally applicable to Taiwan's newly elected Democratic Progressive Party government that has taken office in 2016 **After Vicksburg** Myron J.
