

Ode To Love

Roses are beautiful
But you are more than rose
You are wonderful
Either you choose to sleep or pose

Butterflies are fragile
Than a butterfly, you are gentler
Afraid to tell you bye
When you look peculiar

Oceans are huge
You are more than oceans
Because you are beautiful and huge
Huge to fill my empty portions.

Love, Poetry, and Immortality: Luminous Insights of the World's Great Thinkers William Gerber, 2022-07-11 This book explores and illustrates the individuating characteristics and the interrelationships of love poetry and literary immortality such immortality that is as writers may win in the sense of being long remembered and appreciated by future readers From the book s numerous quotations of glittering literary passages it is evident that love is often expressed in poetry and that many authors especially those writing about love have expressed the winsome hope that their works would be greatly cherished by later generations Part One of the book illustrates by passages of matchless poetry the joys and perils of love and other outstanding features of love Part Two outlines the history of expressions by writers in many cultures of their confidence or hope that their works will make them immortal

Sounding Objects Carla Zecher, 2007-12-15 Often abstracted by the aesthetic implications of music itself musical instruments can be seen as physical signifiers apart from the music that they produce In *Sounding Objects* Carla Zecher studies the representation of musical instruments in French Renaissance

poetry and art arguing that the efficacy of these material objects as literary and pictorial images was derived from their physical characteristics and acoustic properties as well as from their aesthetic product Sounding Objects is concerned with ways in which musical culture provided poets with a rich nuanced vocabulary for reflecting on their own art and its roles in courtly life the civic arena and salon society Poets not only depicted the world of musical practice but also appropriated it using musical instruments figuratively to establish their literary identities Drawing on music treatises and archival sources as well as poems paintings and engravings this unique study aims to enrich our understanding of the interplay of poetry music and art in this period and highlights the importance of musical materiality to Renaissance culture Electronic Format

Disclaimer Images removed at the request of the rights holder [Gendered Dynamics in Latin Love Poetry](#) Ronnie Ancona, Ellen Greene, 2005-11-18 In recent decades Latin love poetry has become a significant site for feminist and other literary critics studying conceptions of gender and sexuality in ancient Roman culture This new volume the first to focus specifically on gender dynamics in Latin love poetry moves beyond the polarized critical positions that argue that this poetry either confirms traditional gender roles or subverts them Rather the essays in the collection explore the ways in which Latin erotic texts can have both effects shifting power back and forth between male and female If there is one conclusion that emerges it is that the dynamics of gender in Latin amatory poetry do not map in any single way onto the cultural and historical norms of Roman society In fact as several essays show there is a dialectical relationship between this poetry and Roman cultural practices By complicating the views of gender dynamics in Latin love poetry this exciting new scholarship will stimulate further debates in classical studies and literary criticism with its fresh perspectives **Antigone**

Sophocles, Paul Woodruff, 2001-01-01 I would call the register restrained colloquial The language ranges between the straightforward and the genuinely poetic its dominant characteristic being freshness This is not the usual dull translationese which reads as if the original were not in a language people once spoke and wrote and created art with One of the most effective styles I have seen in a translation Reader's report Paul Woodruff is Professor of Philosophy University of Texas at Austin [A Paradise of English Poetry: Love.
