Odessa Gold Linda Shaw, 1991 **Gold Diggers** Tracie Howard, 2007-04-17 ENTER THE WORLD OF GUCCI GLITZ AND GLAMOUR IN THIS DELICIOUSLY DECADENT LOOK INTO THE LIVES OF THE YOUNG THE RICH THE BEAUTIFUL AND THE CONNIVING Paulette Gillian and Reese are three gold diggers who have dollar signs in their eyes and gold digging in their DNA Lauren is Paulette's pampered cousin who never fails to remind Paulette of how different their lives have always been Lauren the daughter of wealthy black urbanites and Paulette the daughter of the family black sheep who married beneath her family pedigree Paulette will stop at nothing not even sleeping with her cousin Lauren's husband to gain the social status she feels she rightfully deserves Gillian is a second generation gold digger and having learned from the best strategically sleeps her way to Hollywood but does she have the talent to be a lasting star Reese is a career basketball groupie turned NBA trophy wife and she wears it well taking advantage of everything her new position affords but when she finds out that DL may be more than just her husband's best friend's initials she may be forced to realize that all that glitters isn't gold The stunningly beautiful well bred but naive Lauren is the secret envy of her friends She seems to have all the creature comforts money can buy but when she's confronted with a crisis of her own just how will she respond *Moscow Gold* Douglas L. Field, 2022-04-18 David Fordham is an expatriate living on the edge in Madrid He is a free lance journalist His editor details him to investigate a cold case from the Spanish Civil War era some 30 years before David resists Doing the story threatens to disrupt his comfortable and accustomed lifestyle It will expose him to notoriety he does not need But it is height of the Cold War 1963 David Ariel Muiz a young Spanish woman and Ignacio Nacho Arjona a veteran of the civil war are irretrievably drawn in They intrude themselves into a labyrinth of long forgotten events that powerful individuals and institutions all over Europe must at all costs guarantee will remain undisturbed David is smart ambitious and a quick learner His investigation leads him out of Madrid to locations around Spain and then extends to Paris Gibraltar Moscow and Berlin His talent and ability for espionage and street craft develop fast against the backdrop of a budding then flourishing relationship with Ariel and a profound and enduring friendship with Nacho as the three confront and endeavor to survive intrigue at the highest levels and mortal threats to their lives **Hitler's Gold** Norman Ridley, 2023-11-30 The whereabouts and disposal of the Nazi's remaining stolen gold has led to numerous investigations and countless conspiracy theories Norman Ridley uncovers many of the mysteries surrounding this continuing search for the missing millions War is a costly business and in 1939 Germany was almost broke with its economy overheating and heading for runaway inflation Hitler needed hard foreign currency to pay for his war machine and the only way he could get this was by selling gold that he looted from the national banks of Austria Czechoslovakia and all the countries that were occupied after September 1939 Another source of gold was the theft of personal gold especially from the Jews most grotesquely the haul of dental gold which came out of the concentration camps No neutral country would accept Reichsmarks so the gold had to be laundered through

Swiss banks The story of Swiss complicity in German war crimes is still a subject of controversy and lawsuits There are also questions about the parts played by other countries particularly Portugal in laundering stolen gold for the Nazis The Vatican's dealings with Hitler have often been seen as ambiguous and this book investigates the Holy See's role in helping ship Nazi gold to South America and how that gold might have been used to re create the German Reich After the war a commission was set up to recover as much gold as possible and restore it to those from whom it was stolen This of course was beset by huge problems especially with regards to gold that was looted from Holocaust victims Enormous quantities of gold and other treasures were hidden in a mine at Merkers in Thuringia which was found by the US 3rd Army in 1945 but much gold remains unaccounted for and attempts are still ongoing to uncover supposed hidden caches the most recent in Poland where four tons are believed to have been found by the Silesian Bridge Foundation in May of 2022 The whereabouts and disposal of the remaining stolen gold has led to numerous investigations and countless conspiracy theories In *Hitler's Gold* the author analyzes these and uncovers many of the mysteries surrounding this continuing search for the missing millions *Chasing Gold* George M Taber, 2014-12-15 For the entire history of human civilization gold has enraptured people around the globe The Nazis was no less enthralled by it and felt that gold was the solution to funding Hitler's war machine Gold was also on the mind of FDR across the Atlantic as he worked with Europe's other leaders to bring the United States and the rest of the world out of a severe depression FDR was hardly the first head of state to turn to gold in difficult times Throughout history it has been the refuge of both nations and people in trouble working at times when nothing else does Desperate people can buy a loaf of bread or bribe a border guard Gold can get desperate nations oil to keep tanks running or munitions to fight a war If the price is right there is always someone somewhere willing to buy or sell gold And it was to become the Nazis most important medium of exchange during the war *Chasing Gold* is the story of how the Nazis attempted to grab Europe's gold to finance history's bloodiest war It is filled with high drama and close escapes laying bare the palate of human emotions Walking through the tale are giants of world history as well as ordinary people called upon to undertake heroic action in an extraordinary time *Gold from Seven Cities* Clovis McCallister, 2018-07-09 Seven ships filled with gold silver and treasures of the Church sail from Hispania to escape invading Moors in the seventh century going westward where the wind carries them under divine guidance The foreigners and natives settle in an area now called Chaco Canyon to establish a religious center and build seven cities of gold and silver that historians and treasure hunters still talk about and seek The people and their cities of gold disappear without a trace centuries before fortune hunters come seeking the cities and the wealth they contain Only a select few people remain to oversee the secrets of the ancient people their treasure and the plan for using that treasure **The Rotarian**, 1916 *The Rampart Gold Placer Region, Alaska* Louis Marcus Prindle, Frank Lee Hess, 1906 *An Angel's Faith* Michael Wayne, 2008-12-17 Robert Striker a retired ex military man whom in the middle of questioning his life is approached by Margaret Peterson a beautiful intelligent woman Worried and frightened she asked him to help solve
