Of The Virgin Mary:

The Life of the Blessed Virgin Mary Cornelius Joseph O'Connell, 1914 *History of the Devotion to the Blessed Virgin Mary in North America* Xavier Donald MacLeod, 1866 Catholic literature in this country is not yet rich in works of a historical character and though not a few have appeared evincing great research and worthy of a high place there was still wanting a popular element which genius alone could supply by lending its charm to the often dry details of the historian The devotion to the Blessed Virgin in this country from its settlement to the present day was a theme which had been briefly touched upon by one or two writers Still it was a field which the late lamented author of the following pages entered with all the zeal and devotion of his ardent and impassioned character and as a necessary consequence he gave his work the stamp of his particular genius Few more gifted writers have appeared among us than Xavier Donald Macleod and in undertaking his work material was contributed by his numerous friends The writer of this one who had enjoyed that friendship from boyhood rejoicing to see him about to take up a subject so worthy of his talents furnished him an abundant material which he had collected and feels now perhaps too great a pleasure in his privilege in having contributed to so noble a work as that here presented to the Catholic public The Life of the Blessed Virgin Mary Mathieu Orsini, Edouard Barthe, The Virgin Mary, 2022-04-02 Reprint of the original first published in 1864 The Life of the Blessed Virgin Mary With the history of the devotion to her From the French of the Abbe Orsini To which is added meditations on the Litany of the virgin From the French of the Abbe Edouard Barthe Also poems on the Litany of Loretto From the German of the Countess Hahn Hahn
