Official Patients Sourcebook On Adult Hodgkins Disease:

Magill's Medical Guide Anne Chang, 2008 Covers diseases disorders treatments procedures specialties anatomy biology and issues in an A Z format with sidebars addressing recent developments in medicine and concise information boxes for all diseases and disorders

The Journey Through Cancer Dr. Jeremy Geffen, 2007-12-18 The Journey Through Cancer is an essential guide for all cancer patients their families and their loved ones As a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families Dr Jeremy Geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body Yet this simple truth is often overlooked by Western medicine as it aggressively pursues the best ways to diagnose and treat cancer Too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease Dr Geffen presents a groundbreaking seven level program used at his cancer center in Florida that addresses every dimension of the person with cancer physical mental emotional and spiritual Education and Information giving patients answers to questions about their disease and their treatment options Psychosocial Support focusing on the need for and benefits of a strong support network The Body as Garden exploring the vast array of alternative and complementary therapies Emotional Healing helping patients and families deal with the often overwhelming emotional challenges of cancer The Nature of Mind exploring how patients thoughts and beliefs profoundly influence their journey Life Assessment showing patients how to discover their life s deepest meaning and purpose The Nature of Spirit connecting patients to the profoundly healing spiritual aspect of life we all share In The Journey Through Cancer Dr Geffen presents a revolutionary model of healing based on the best treatments available from every culture and paradigm of medicine one that respects and explores every possible avenue and resource for healing and transformation blending East and West body and mind heart and technology science and spirit

The Relevance of Belief in Cancer Treatment Fernando Urioste, 2019-04-06 Relevance offers help and provides hope to people that are overwhelmed by an I have cancer awakening Fernando Urioste story shows that the medical sciences and technology play a significant role in the healing process but do not exist in a vacuum They are part of a multidimensional belief consciousness that emerges coalescing to help the afflicted individual s fight for his or her life Having experienced this in the flesh Fernando hopes that his tale helps demonstrate to others the positive spirit needed for the healing process to succeed when fighting cancer Relevance is not a technical book about cancer or a manual on cancer treatments available Rather it is a tale of the spiritual side on the difficult healing journey that an afflicted person undertakes when treating cancer about the importance of the support provided by family and friends about the belief that one s future is not lost faith in God s Providence and of most importance one s desire to live All of this against the backdrop of the amazing medical science and technology administered by doctors nurses technicians and support staff of the institutions that provide cancer treatment
