On Images, Visual Culture, Memory and the Play without a Script

Matthias Smalbrugge,2021-12-30 Matthias Smalbrugge compares modern images to plays without a script while they appear to refer to a deeper identity or reality it is ultimately the image itself that truly matters He argues that our modern society of images is the product of a destructive tendency in the Christian notion of the image in general and Augustine of Hippo s in particular This insight enables him to decode our current scripts of image As we live in an increasingly visual culture we are constantly confronted with images that seem to exist without a deeper identity or reality but did this referential character really get lost over time Smalbrugge first explores the roots of the modern image by analysing imagery what it represents and its moral state within the framework of Platonic philosophy He then moves to the Augustinian heritage in particular the Soliloquies the Confessions and the Trinity where he finds valuable insights into images and memory He explores within the trinitarian framework the crossroads of a theology of grace and a theology based on Neoplatonic views Smalbrugge ultimately answers two questions what happened to the referential character of the image and can it be recovered **The**
