Plays Of Beth Henley A Critical Study:

The Plays of Beth Henley Gene A. Plunka, 2014-11-18 Beth Henley's twelve complete plays three of which have been turned into films have achieved worldwide production. At age 29 she produced her first full length drama *Crimes of the Heart* which won a Pulitzer Prize and garnered three Academy Award nominations as a film. Her Mississippi upbringing and her penchant for the eccentricities of southern culture however have caused critics to categorize her writing as a kind of southern gothic folklore inspired by feminist ideology. This book the first critical study of Henley's complete plays attempts to dispel the common stereotypes that associate Henley's work with regional drama and sociological treatises. It argues instead that Henley can best be perceived as a dramatist who delineates an existential despair manifested in various forms of what Freud calls the modern neurosis. The book maintains that Henley's plays must be understood as universal statements about the angst of modern civilization and Henley's characters are assessed in light of Freud's proposition that cultural restrictions create neurotic individuals. The introduction provides a brief account of Henley's childhood and career. Early chapters summarize the theory of the modern *angoisse* espoused in Freud's *Civilization and Its Discontents* while later chapters relate this theory to thematic and stylistic elements of Henley's most popular play *Crimes of the Heart* as well as *Am I Blue*, *The Wake of Jamie Foster*, *The Miss Firecracker Contest*, *The Debutante Ball*, *The Lucky Spot*, *Abundance*, *Signature Control*, *Freaks*, *Revelers*, *L Play* and *Impossible Marriage*. *The Facts on File Companion to American Drama* Jackson R. Bryer, Mary C. Hartig, 2010 Features a comprehensive guide to American dramatic literature from its origins in the early days of the nation to the groundbreaking works of today's best writers. *Dramatic Revisions of Myths, Fairy Tales and Legends* Verna A. Foster, 2012-10-06 These new essays explore the ways in which contemporary dramatists have retold or otherwise made use of myths, fairy tales and legends from a variety of cultures including Greek, West African, North American, Japanese and various parts of Europe. The dramatists discussed range from well established playwrights such as Tony Kushner, Caryl Churchill and Timberlake Wertenbaker to new theatrical stars such as Sarah Ruhl and Tarell Alvin McCraney. The book contributes to the current discussion of adaptation theory by examining the different ways and for what purposes plays revise mythic stories and characters. The essays contribute to studies of literary uses of myth by focusing on how recent dramatists have used myths, fairy tales and legends to address contemporary concerns especially changing representations of women and the politics of gender relations but also topics such as damage to the environment and political violence. **The Unfilmable Confederacy of Dunces** Stephan Eicke, 2022-12-19 For more than 40 years dozens of film directors, writers and producers tried and failed to adapt John Kennedy Toole's Pulitzer Prize winning novel *A Confederacy of Dunces*. Along the way lawsuits were filed, filming locations destroyed, friendships shattered, reputations trashed, production companies bankrupted. Drawing on exclusive interviews, internal documents and private correspondence, this book tells the remarkable story of the non-making of *A Confederacy of Dunces* as a breathless and absurdist thriller. Celebrity appearances include John
