Reigning Cats And Dogs A Lighthearted Look At Pets And Their Owners:

Reigning Cats and Dogs Marvin Ross, 1984-02-01 That irrepressible team whose previous collaborations poked fun at bureaucracies *Cover Your Ass* and expounded on the horrors and humour of fatherhood *Daddy Dearest* and *Sorry Daddy* have now turned their considerable talents on the droll and wacky world of pet ownership Although written in a typically light hearted tongue in cheek fashion this informative book gives excellent advice on topics such as choosing a pet the joy of housebreaking feeding veterinary visits and even fleas and how to get rid of them Although the book stars those all time favourites cats and dogs it includes chapters on both exotic and surrogate pets *Reigning Cats Dogs* offers a selection of pet recipes and a brief overview of pet contributions in the areas of language television movies and literature Ross and Shaw described as very perceptive and wildly funny and so funny they made me laugh out loud have produced the indispensable guide for pet lovers who own have ever owned or are thinking of owning a pet A must for all animal lovers **The Original**

Reigning Cats and Dogs Marvin Ross, 2009-09 The ideal book for everyone who has a pet has had a pet or who is thinking of getting a pet And not just cats and dogs but exotic and even surrogate pets are covered in this highly amusing look at life with our favorite friends Picking the right pet for you training them and caring for them are covered along with some fascinating trivia like pet contributions to society pets in films and music and just about everything else you could possibly think of when it comes to pets *Mind You The Realities of Mental Illness* David Laing Dawson, Marvin Ross, 2018-12-28 The blog has had about 75 000 views and has been read in 151 different countries since 2014 The posts reflect ideas about mental illness health and life that can be debated and discussed so that we can come to a higher understanding of the issues And we have separated out mental illness from mental health because despite their often interchangeability they are distinct Mental illness as a medical condition that disrupts a person's thinking feeling mood ability to relate to others and daily functioning Just as diabetes is a disorder of the pancreas mental illnesses are medical conditions that often result in a diminished capacity for coping with the ordinary demands of life Serious mental illnesses include major depression schizophrenia bipolar disorder obsessive compulsive disorder OCD panic disorder post traumatic stress disorder PTSD and borderline personality disorder In contrast mental health is a state of well being in which every individual realizes his or her own potential can cope with the normal stresses of life can work productively and fruitfully and is able to make a contribution to her or his community That is quite different from mental illness Unfortunately there is a tendency to confuse these Unfortunately there tendency to talk about mental health issues and problems which are not the same as mental illnesses
