Practicing the Path Yangsi, 2012-08-20. The Lamrim Chenmo or Great Treatise on the Steps of the Path by Je Tsongkhapa is a comprehensive overview of the process of individual enlightenment. Meditation on these steps has been a core practice of Tibetan Buddhists for centuries. The Lamrim Chenmo presents the Buddha's teachings along a continuum of three spiritual attitudes: the person who worries about rebirth, the person who wants to escape rebirth and finally the person who strives for buddhahood in order to relieve the suffering of all beings. This is the supreme aspiration of the bodhisattva. Given over two months to a group of Western Students in Dharamsala, India, Yangsi Rinpoche's commentary revitalizes our understanding of Tsongkhapa's work, giving readers renewed inspiration.

The Rebirth of Korea Hugh Heung-wo Cynn, 1920. **The Rebirth of Latin American Christianity** Todd Hartch, 2014-01-02. Winner of 2014 Book Award for Excellence in Missiology from the American Society of Missiology. Winner of the 2015 Christianity Today Award for Missions Global Affairs. Named by the International Bulletin of Missionary Studies as an Outstanding Book of 2014 for Mission Studies. Predominantly Catholic for centuries, Latin America is still largely Catholic today, but the religious continuity in the region masks enormous changes that have taken place in the past five decades. In fact, it would be fair to say that Latin American Christianity has been transformed definitively in the

years since the Second Vatican Council Religious change has not been obvious because its transformation has not been as in Africa and Asia the sudden and massive growth of a new religion It has been rather a simultaneous revitalization and fragmentation that threatened awakened and ultimately brought to a greater maturity a dormant and parochial Christianity The rapid growth of Protestantism especially Pentecostalism forced Catholics to adopt a more active and dynamic approach to their religion Although many Catholics left their church to become Pentecostals many others responded to the Protestant challenge by joining new Catholic movements Today Latin American Christianity is so energized that the region is sending missionaries to Africa Europe and the United States In *The Rebirth of Latin American Christianity* Todd Hartch examines the changes that have swept across Latin America in the last fifty years and situates them in the context of the growth of Christianity in the global South
