Reincarnation Now! James Bryce, 1978 **EXPLORING REINCARNATION** Hans TenDam, 2012-12-31 Exploring Reincarnation examines the full range of explanations for past life recall This definitive study includes case histories from around the world as well as intriguing theories about the relationship between body and soul from general social beliefs about past lives to detailed questions about karma and past life regression therapy An outstanding introduction to reincarnation from a historical scientific and philosophical point of view Exploring Reincarnation is the now classic panorama on reincarnation ideas and experiences 1 yan xi, 2024-12-17 Su Xiao squatted on the roof of a two story villa and the night wind blew which made him feel cool The Loving Road to Truth Doris Fouracre, 2017-10-24 All I asked for was truth absolute truth and the inner wisdom to understand it This request took me on an inner journey that was never to be forgotten **Life After Death Today in the United States, Japan, and China** Gordon Mathews, Yang Yang, Miu Ying Kwong, 2023-01-24 This book is about contemporary senses of life after death in the United States Japan and China By collecting and examining hundreds of interviews with people from all walks of life in these three societies the book presents and compares personally held beliefs experiences and interactions with the concept of life after death Three major aspects covered by the book Include but are certainly not limited to the enduring tradition of Japanese ancestor veneration China's transition from state sponsored materialism to the increasing belief in some form of afterlife as well as the diversity in senses of or disbelief in life after death in the United States Through these diverse first hand testimonies the book reveals that underlying these changes in each society there is a shift from collective to individual belief with people developing their own visions of what may or may not happen after death This book will be valuable reading for students of Anthropology as well as Religious Cultural Asian and American Studies It will also be an impactful resource for professionals such as doctors nurses and hospice workers *Imagining Karma* Gananath Obeyesekere, 2002-11-11 With *Imagining Karma* Gananath Obeyesekere embarks on the comparison of rebirth concepts across a wide range of cultures The book makes a case for disciplined comparison a humane view of human nature and a theoretical understanding of family resemblances and differences across great cultural divides **The Case of Valentin Tomberg** Sergei O. Prokofieff, 1998-03 Born in 1900 in Russia Valentin Tomberg was for many years an enthusiastic student of Anthroposophy In 1945 however he converted to Roman Catholicism and completely turned his back on the former phase of his life By the time of his death in 1973 he had written two major works *Meditations on the Tarot* and *Covenant of the Heart* in which he presented much esoteric knowledge though under the spiritual authority of the Catholic Church What is the mystery behind Tomberg's life Prokofieff provides his views in this forcefully argued and uncompromising book **U.L.T ,1914 Your Psychic Powers and how to Develop Them** Hereward Carrington, 1920 Jesus the Wicked Priest Marvin Vining, 2008-03-27 Decodes the Dead Sea Scrolls to reveal Christianity's hidden Essene origins Reveals the Essenes as key figures behind Jesus's trial torture and crucifixion Shows

how Jesus a former Essene himself was deemed the Wicked Priest for his liberationist politics and humanist bent Examines the lost Christian doctrine of reincarnation and the secret role of Gabriel in the Virgin Birth The Dead Sea Scrolls discovered in 1947 at Qumran are generally believed to have been written by a Jewish sect known as the Essenes between 350 BCE and 70 CE but until now no convincing methodology has linked the Scrolls to the actual life and teachings of Jesus Marvin Vining builds from the controversial work of Barbara Thiering to demonstrate that the Scrolls do speak directly to the origins of Christianity and even reflect a mirror image of the Gospels from the perspective of Jesus's enemies Christianity arose out of a schism between the exclusivist rigid and militant views of the Essenes and the inclusivist tolerant and nonviolent views of Jesus Jesus was raised an Essene but he refused to follow their orthodoxy Vining shows that the Dead Sea Scrolls are written in a secret coded language called peshar in which Jesus emerges as the Wicked Priest the antagonist to the Teacher of Righteousness who was the leader of the Essenes Jesus the Wicked Priest revitalizes the Gospel message by revealing Jesus's true role as a tireless social reformer and revolutionary teacher Vining's study reopens Christian doctrinal questions supposedly long settled such as reincarnation and the Virgin birth even demonstrating that these two issues are related He discloses that the angel Gabriel was incarnate in a living human being and transmitted the seed of a holy bloodline to the Virgin Mary

Trusting in Spirit—The Challenge Dr. Bob Woodward, 2018-04-17 In this unique book Spirit Guides are invited to communicate to us teachings which they consider relevant and important at this time However the author also questions and challenges what the Guides have to say instead of just acquiescing to their messages The book is intended to help awaken people to the reality that they each have Spirit Guides who are more than willing to be of help and service to them However since they always respect our free will they depend on us taking the initiative to get to know them This is precisely the challenge of learning to trust in Spirit and in our own potential abilities I can honestly say that when I read the manuscript I was amazed at its power to inspire and heal As you read this book your spirit guide will be close and help you understand the teachings that are relevant to you Anne Lewis Spiritual Medium and Healer You are only limited in your abilities by your own set beliefs and expectations If your beliefs grow and widen then so do your abilities to contact beings on all different levels Philip The Angel
