Managing the Aftermath of Radical Corporate Change Eliezer Geisler, 1997-09-23 The radical restructuring of organizations can have momentous effects and not all of them are good In fact many are actually bad and may cause serious harm How management can remedy these ill effects systematically and restore stability to their traumatized organizations is the theme of Dr Geisler's compelling new book How do we clean up the mess from poorly conceived badly implemented and ultimately unsuccessful restructurings How can managers who have been caught up in these changes and who are as disrupted by them as anyone regain their own equilibrium and help the

healing and reconstructive process take hold Geisler's answers to these questions are essential reading for corporate executives in all types of organizations public and private both and for academics and students Dr Geisler lists the problems associated with radical change and describes the futility of total corporate transformations in general In addition he develops a staged process by which managers can counteract the side effects of radical change programs By showing that the beneficial effects of radical corporate change are usually transient Dr Geisler's process is a key ingredient in any effort designed for the long term survival of the firm and the preservation of its strategic goals and methods Thus not only does Geisler provide a sound well reasoned criticism of corporate restructuring but he offers something that few if any other books can offer a workable means to cope constructively with the effects of its many failures

Benefit Corporation Law and Governance Frederick H. Alexander, 2017-10-16 Corporations today are embedded in a system of shareholder primacy Nonfinancial concerns like worker well being environmental impact and community health are secondary to the imperative to maximize share price Benefit corporation governance reorients corporations so that they work for the interests of all stakeholders not just shareholders This is the first authoritative guide to this new form of governance It is an invaluable guide for legal and financial professionals as well as interested entrepreneurs and investors who want to understand how purposeful corporate governance can be put into practice

GAO Review, 1985 **Reinvention** Anthony Elliott, 2020-11-29 Ours is the era of reinvention From psychotherapy to life coaching from self help manuals to cosmetic surgery and from corporate rebranding to urban redesign the art of reinvention is inextricably interwoven with the lure of the next frontier the breakthrough to the next boundary especially boundaries of the self In this new updated edition of this remarkable book Anthony Elliott examines reinvention as a key buzzword of our times Through a wide ranging and impassioned assessment Elliott unmasks the ever increasing globalization of reinvention from reinvention gurus to business reinvention from personal makeovers to corporate rebrandings In doing so he undertakes a serious if often amusing consideration of contemporary reinvention practices including super fast weight loss diets celebrity makeovers body augmentations speed dating online relationship therapies organizational restructurings business downsizings and many more The second edition of Reinvention includes a new chapter on the digital revolution and artificial intelligence which situates reinvention within the context of technological automation There is also a discussion of how the Covid 19 global pandemic has impacted today's cultures of reinvention In addition there is a new concluding chapter in which the author develops further his theoretical account of the nature of reinvention societies This absorbing book will continue to be the ideal introduction to reinvention for students and general readers alike Reinvention offers a provocative and radical reflection on an issue sometimes treated as trivial in the public sphere that is increasingly politically urgent in terms of its personal social and environmental consequences

Magic and Management G. Caravantes, W. Bjur, 2003-03-31 Whereas many recommend a paradigm change in order to cope with modern complexities Caravantes and Bjur urge executives not to change their operating paradigms but rather to become paradigm competent that is knowledgeable and competent in several ways of understanding and analyzing

the working world Four major paradigms are described positive science quantum physics oriental mysticism and existentialism The authors recognize that executives often are obligated to make important choices despite insufficient data and the inability to predict future outcomes Hunches that one action is to be preferred over others are examples of high level managers making use of more than rational intuitions defined as knowing without knowing how you know The authors think of this as a kind of subconscious magic not taught or developed in the curricula of schools of management where the emphasis is on technical rationality and technique The authors emphasize the importance of subconscious perceptions in enabling an executive s access to infra conscious extra rational or magic capabilities and discuss some modern techniques that can be used to enhance an executive s magic and charisma Magic and Management is a fourth book co authored by Bjur and Caravantes until now published and marketed in Brazil Their work is based on three decades of multi cultural analysis and observation of management theory as it is practiced in many different countries This work is designed for the experienced manager who desires to enhance personal knowledge and discover inherent possibly hidden abilities to excel in leadership

Reinventing The Corporation Introduction

In today's digital age, the availability of Reinventing The Corporation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reinventing The Corporation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reinventing The Corporation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reinventing The Corporation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reinventing The Corporation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reinventing The Corporation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reinventing The Corporation books and manuals is Open Library. Open Library is an initiative of the

Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reinventing The Corporation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reinventing The Corporation books and manuals for download and embark on your journey of knowledge?
